Olitzky,2011-10-14 In codependence the emphasis is on everyone and everything but ourselves In recovery we learn how to say no to set boundaries in relationships and then perhaps walk away if necessary sometimes for a long time perhaps forever It s not without effort Even if a relationship is worth saving your active codependence can destroy it It will not help it or you and will certainly not convince the other person in your life to stop drinking or using or gambling or eating compulsively or running around But your recovery can nurture a relationship with God while it nurtures you at the same time From *Recovery from Codependence* This book is not just for Jewish people It s for all people who would gain strength to heal and insight from the Bible and the wisdom of Jewish tradition With the same groundbreaking insight of his *Twelve Jewish Steps to Recovery A Personal Guide to Turning From Alcoholism and Other Addictions and Renewed Each Day* Daily Twelve Step Recovery Meditations Based on the Bible Kerry Olitzky has produced an inspiring new volume that brings healing wisdom to those whose lives are most directly affected by the addiction of a loved one *Recovery From Codependence A Jewish Twelve Steps Guide to Healing Your Soul* explains how the Twelve Steps of Co Dependents Anonymous are relevant for Jewish people and all people who would gain strength to heal and insight from Jewish tradition You may be a codependent person if you are in a relationship with an alcoholic or addicted person someone who has an eating disorder engages in compulsive gambling or sex if you are addicted to a relationship or if you are part of a dysfunctional family Though you may be suffering broken in spirit this book can help you be healed be empowered to take hold of your life and be made to feel spiritually whole once again Using the familiar Twelve Step model Dr Olitzky known for his spiritual leadership and for reaching out to help people in recovery takes the codependent person on a Jewish journey through the Twelve Steps Rabbi Olitzky s inspiring message draws on the experience of Jewish tradition and the personal experiences of recovering codependent people He provides Twelve Step support for people of all faiths and backgrounds **Dig Deep in One Place** Bill Fifield,Sandy Fifield,2011-10-10 *Dig Deep in One Place A Couple s Journey to a Spiritual Life* explains the actual recipe that the Twelve Steps of Alcoholics Anonymous are and how they can assist anyone in the transformation of their lives The title of our book explains how we have lived our lives together moving through our relationship marriage codependency addiction and health

life changing Spiritual Awakening by reminding you of who you Truly are and why you are here in human body at this very special time in human history Some feedback about The Dance of Wounded Souls I just read your wonderful book thank you for writing it I have been a spiritual teacher since childhood however your book let me organize my thoughts a new way a new perspective I now have a much deeper understanding and am still learning from it Dance is one of the truly transformational works of our time When I found your book I found myself I am a 52 year old psychotherapist and have struggled with codependency all my life Up until tonight I have been disappointed in the literature and treatment of codependency Your work is brilliant I can t find words to express my appreciation with the depth I am feeling I finished your book you are a rock star Already had a friend order it She wanted to borrow mine and I told her I d sooner give her my hand I truly believe that I have made more progress on a personal level in the few weeks I have had Robert s book than in the preceding eight plus years when I first found out what codependency was After years of analysis and reading many self help books on other subjects to try to find out the answers about my struggles in my life I had always been under the impression that the subject of codependency was a term referring to people who enable alcoholics or drug dependent people so I never even thought to read up on it Now after reading your writings a miraculous door of insight has opened up for me and many pieces of the puzzle are finally falling into place I can t thank you enough for the very profound spiritual healing your book has provided to me I cannot express in words that which I feel as a result of having truly heard your message of self love and spiritual awakening Your message has forever changed my path in this lifetime Thank you so much for sharing your perceptions and experiences in your book I have read and studied many authors on this healing journey of mine but you really relate to all of my issues like no one else I have read over 300 books in the past few years but you explain everything in simple but yet so enlightening truths God bless you and you are making a difference to many Oprah needs to read your work I love the fact that you are able to clearly bridge and tie in Christian teachings and so called New Age philosophies in a clear and concise way for so many to hear at the same time Thank you Mr Burney Your book saved me from the depths of my despair and my life has new direction and purpose now I can never thank you enough I ve read your book at least 20 times Your a brilliant inspiring writer You have made a great difference in my outlook Just finished your book wow it s truly an amazing act of grace when the right information comes at just the right time Thank you for writing this book Thank You for sharing your journey through your work Dance of The Wounded Souls is a spiritual masterpiece Before I discovered your book I was in a very dark place emotionally so much so that i really thought I was never going to come through it I was drinking every night and was so ill i couldn t even move from the house thank god i found you *The Happy Heretic* Leo Booth,2012-12-03 Religion can be source of comfort when facing struggles both personal and universal But clinging to religion as a codependent fix for all problems can cultivate excessive fear shame guilt and low self esteem Acclaimed author Reverend Leo Booth a Unity minister and former Episcopal priest warns that a belief in tenets like Everything happens for a

reason and This is in God's hands can be the first step in developing religious codependency Rev Leo turns traditional thinking and spirituality upside down by suggesting that many toxic messages emanate from core religious beliefs In The Happy Heretic he challenges beliefs like original sin a dogmatic one way path to God the shaming of human sexuality religious codependency and the exclusiveness of Jesus' perfection within the human race The arguments he presents are derived from Pelagius a fourth century monk who challenged the teachings of St Augustine and Rumi a revolutionary thirteenth century poet and philosopher In his confessions St Augustine states It is only by Your grace and mercy that You have melted away the ice of my evil Pelagius felt this idea lacked balance It affirmed only God's role and didn't speak to our involvement Likewise Rumi believed that God's spirit exists within all human beings and enables divine creativity in life The theology philosophy and recited prayers we learned through organized religion often emphasize the idea that we are sinful people who are dependent upon a powerful and punishing God The Happy Heretic provides an escape from this shadow by encouraging readers to enter into a partnership with God affirming personal dignity alongside responsibility in other words free will and the choices we make determine much of the success or failure we encounter Real life examples of the core issues surrounding religious codependency along with Seven Spiritual Insights help readers rethink their religious beliefs including the prayers they grew up with to form a deeper more spiritual understanding of who they are and their connection with God In this thought provoking read Reverend Leo calls himself a heretic a person who is willing to think differently and he invites readers to discover an alternative explanation for how we experience God's grace The Happy Heretic explains this divine relationship in ways that make us feel alive empowered and still true to who we are The Happy Heretic confronts toxic religious messages and brings a spiritual awareness that affirms human possibility and responsibility This book is not for the fainthearted John Bradshaw author of Homecoming *Codependency* Amelia Maidu, 2018-12-12 Do you often find yourself grappled by the relentless tendencies of enabling another person's addiction poor mental health immaturity or irresponsibility What process are you apart of Everyday women are toppled over with the daunting tasks of mere survival with no real remedy to calm the raging storms of life as it happens behind closed doors Codependency is one woman's journey that identifies The Spiritual process of these life events through past present and future trials Amelia Maidu shares a poignant history of sexual abuse addiction and infidelity Journey with the author through the riveting life moments as she recounts the many dimensions of uncertainty fear and redemption An invitational call to the reader in identifying and defying the odds of the many processes of spiritual enlightenment through prayer hope and faith Essential Reading For Faith Perseverance Change Deliverance Accountability Identifying root and cause Early childhood trauma's family issues dysfunctional family dynamics *My Resurrected Heart*: Diane Vernitsky Jellen, 2014 The story of one woman's life with an alcoholic spouse will resonate with anyone dealing with a loved one's addiction After her husband moved out author Diane Jellen sought professional counseling and learned that she had played a leading role in the family drama In order to achieve

spiritual and emotional recovery she had to deal with her own issues including Denial Stigma of addiction Shame Blame Family secrets Divorce Financial loss Inability to trust This forty day devotional memoir details Jellen s slow but progressive recovery from crippling codependent behavior to self respect Follow Diane on her healing journey and learn how you too can face your fears and overcome your shortcomings Along the way you will discover that it s okay to love and respect the person God designed you to be **GodDependency** Lynne Bundesen,1989 **Some Sat in Darkness** Declan Joyce,Mike Leatherwood,Brenda Leatherwood,1997-06 Leaders from the Chemical REC ministry in New York share how God s way is the most effective way of recovering from addiction rejecting codependency and restoring and converting users of substances of all kinds Contrary to some popular misconceptions that persist even to this day the bottom line in CR chemical recovery ministry is very intense discipling With God we have found the most effective way of dealing with drugs in the world Publisher **Healing the Codependent Heart** Douglas Dobberfuhl,2013-09-06 Do you struggle with seeing yourself as worthy and of value Does your happiness depend on others around you being happy Do you find yourself ruled by perfectionism When it comes to dealing with and overcoming the effects of this fallen mortal world there are essentially two paths to take One encourages and supports us to manage our pain hurts and insecurities with willfulness and control This path is called codependency The other invites us to experience learn and become polished through our afflictions This path is living in a state of charity These two paths are often confused Codependency can very easily look like and feel like charity This book explores both subjects drawing upon modern day revelation scriptures and therapeutic experts in the field of codependency Overcoming codependency is explored by teaching the reader how to apply the Atonement of Jesus Christ to this pervasive problem Book jacket **Escape from Codependent Christianity** James Richardson,2004-03-01 Many Christians are painfully codependent and never get free A codependent lifestyle is a miserable fearful life From never feeling secure to the need to always be in control the extremes of codependency fuel the chaos and pain in our lives In Escape from Codependent Christianity Dr James B Richards examines this common phenomenon in light of the truth of Scripture Codependency is not complicated It involves depending upon others for what we have no right to expect from them Codependents often fall into the trap of living on other people s approval for their own sense of self worth They may depend on others for decisions or happiness No matter what the needs are the key to codependency involves trying to get from others what people cannot truly give **Recover Your Soul** Rachel Harrison,2026-02-10 Playing It by Heart Melody Beattie,2009-07-23 Readers will learn what drives them into controlling behavior and victimhood and what it takes to pull themselves out to return to the healing faith and maturity that come with recovery Since the publication of Melody Beattie s groundbreaking book Codependent No More millions of people have confronted the demons of codependency And yet many in recovery find themselves slipping back into the old ways that brought them such grief In her book Playing It by Heart Beattie helps readers understand what drives them back into the grasp of controlling behavior and victimhood and what it
