Survival At Starvation Lake:

Survival at Starvation Lake Gary P. Hansen, 2010-07-27 Most people would say that Sally McPhearson has it all As CEO of a major Canadian Corporation she is a wealthy and powerful woman Most of Sallys business acquaintances like her almost all fear her Sallys career has become her whole life but even she cant explain why she has allowed her job to consume her time and energy to the point where a personal and social life is virtually non existent Beneath her cold hardened facade Sally carries a dark secret one shes managed to hide from everyone perhaps even herself A corporate jet or even her own private jet would have been within easy reach for her but Sally prefers to fly commercial It was sort of her trademark On the fateful day she boards a small commuter plane to attend a meeting in Toronto she has no idea how abruptly her life is about to change Panic fills the cabin when the plane loses an engine and crashes Sally must now face months filled with pain suffering hunger despair and fear Against overwhelming odds the survivors struggle to overcome daily adversities and hardships Sally is determined to survive at any cost but not even she could predict how the experience would change her forever What readers have said I had to get up early the next morning and I was sleepy so I went to bed early and thought I would just read a few pages before I went to sleep I finished the book at 2 00 AM I loved this book it is just the type of book I like to read very exciting I didnt want to put it down *Lost at Starvation Lake* Gary P. Hansen, Sarah Beth Miller

Morgan, 2012-05-01 Mainly set in remote and isolated northern Canada this wilderness adventure is a stand alone book However it is also a sequel to the top selling novel *Survival at Starvation Lake* and takes up where the first book left off Susan a 24 year old widow and single mother was facing a big financial problem She had been on her own since her husband lost his life five years ago only months after her father died Susan had spent her whole life in the Canadian bush but the local saw mill had closed The saw mill s closing caused the local school to close for lack of students That meant Susan would lose custody of her daughter Lilly if they didnt move to somewhere Lilly could attend school Susan thought her only hope to find a job in the middle of a major economic recession was to move to Sault Ste Marie She didnt know anyone there and lacked the finances for the move Susan knew she would feel out of place in the big city and didnt want to move The move seemed like her only option until a mysterious stranger left her a large financial gift which meant a job wouldnt be essential This would allow her to move to the much smaller town of Wawa The stranger left a note and a very large check then disappeared From the note it was obvious the woman knew a lot about Susan and Lilly but Susan couldnt understand how The lady had signed the note Sally Sinhuna but the name wasnt familiar to Susan or anyone she asked Months later the lives of this stranger and Susan were destined to become entwined Little Pend Oreille National Wildlife Refuge ,2000
