Surviving Infidelity Making Decisions Recovering From The Pain 3rd Edition:

Surviving Infidelity Rona B. Subotnik, Gloria Harris, 2005-05 For more than ten years this resource has been offering sage advice and compassionate nonjudgmental analysis. Based on the private practices of a licensed marriage and family counselor and a clinical psychologist, it has been completely updated. **Infidelity** Paul R. Peluso, 2007-06-15 When one partner in a relationship is unfaithful to the other, it takes a lot of work by both parties involved to salvage the relationship. In today's therapy friendly climate, marriage couples counseling is often a part of that rebuilding process. Many couples seek out professional therapy after an affair is out in the open, but often the act of infidelity is revealed while uncovering and discussing unrelated issues for which the couple is in counseling. And yet, amazingly as common as this complex and difficult topic arises in therapy, there is relatively little professional literature devoted to understanding and treating infidelity. In this volume, Paul Peluso has assembled a truly impressive list of contributors from a range of disciplines and backgrounds, including marital therapy, family therapy, evolutionary psychology, marriage research, and cyberstudies, with the aim of filling this void.

What Happens After Shattered? Dr. Deanna Sims, 2015-09-04 It is no secret that many hearts have been shattered by infidelity. With affairs and sexual addiction at all time highs in our society, it is no wonder that those affected by the real life trauma and agonizing pain of unfaithfulness search for ways to cope, forgive, and eventually heal. In her comprehensive Christian self-help guidebook, **What Happens After Shattered**, licensed mental health counselor Dr. Deanna Sims shares gentle guidance that includes case examples, strategies for coping and healing, and over one hundred biblical passages. With the hope of encouraging and supporting those on a journey to healing after infidelity, Dr. Sims addresses many key issues, including how to identify the different types of affairs, honor anger as a natural phase of grieving, navigate through the discovery and disclosure phases of an affair, understand narcissism and its correlation to infidelity, answer questions to determine whether to reconcile or terminate the marriage, implement an affair prevention plan to safeguard your marriage, work toward a spirit of forgiveness. **What Happens After Shattered** reinforces the important message that hope, personal growth, and healing are possible—even after the life-altering experience of an affair. A unique and valuable resource for those in the Christian community, Peggy Vaughan, author of **To Have and To Hold** and host of **DearPeggy.com**. A well-thought-out Christian counseling book on the topic of infidelity, Rona Subotnik, LMFT, coauthor of **Surviving Infidelity** 3rd Edition and author of **Why Did He Cheat on Me?**
