**Apocalypse Survival Guide for Christians** Ronald Conte, 2013-10-19 This book on the Apocalypse is not primarily a book of theology but a book of practical considerations related to the end times to the time of suffering for the Church and the world called the tribulation. The author discusses practical considerations that might be useful in order to live with a greater degree of safety and a better quality of life during the Apocalypse. The purpose of this book is to assist the reader in preparing for enduring and perhaps even surviving the most difficult time period so far in human history while still being an active part of society. The question as to when and how the Apocalypse unfolds is controversial among Christians. But one point should be beyond dispute: The Apocalypse will be very severe and will affect everyone on earth. Therefore even if you disagree as to when and how the tribulation will unfold, you might still want to read this book discussing ways to cope with this time of great trials for the whole world. May God give you His providence and grace during the difficult years ahead.

Chapter List: 1 General Considerations, 2 Events of the Apocalypse, 3 Food, 4 Water, 5 Land and Shelter, 6 Communication and Electronics, 7 Heat Utilities, 8 Transportation, 9 Money and Valuables, 10 Defense of Self and Others, 11 Family Friends Neighbors, 12 First Aid and Medicine, 13 Body and Soul.

**A Christian Survival Guide** Ed Cyzewski, 2014 No one ever plans to fail in their faith. We all think we'll be the kind of Christian who follows the straight and narrow ending our days with the relief of knowing we were ultimately a good and faithful servant. So why do so many leave that road? What enables some to survive as Christians when so many others have faltered? With *A Christian Survival Guide*, Ed Cyzewski steps up to be your trail guide and provide some possible answers. He addresses some of the biggest toughest questions in Christianity including Disturbing Bible stories, Hell and what it means, Does the Bible have to be true, The question of evil, Money and the church, Evangelizing when no one wants to listen, Candid and wry, Cyzewski deals with the tension of hard questions without resorting to empty answers, cliches, relativism or the smug certainty that can so often drive seekers and strugglers further away. This popular blogger also has a knack of making long ago biblical figures absolutely recognizable in today's issues. This

survival guide is not meant to be a one size fits all handbook It is a first step to confronting the big issues and challenges of a life of faith even the ones that Christians fear most Cyzewski writes for those who both care and question deeply and offers survival tips to help readers move from living on the edge to a place of health and life *Surviving the Apocalypse* D. Rendell,2015-12-16

For more than two thousand years Christians have been waiting for the return of Christ However before Jesus can return the book of revelation has clearly told us that there will be a great tribulation bringing much war famine and death upon the earth There are many signs that have been foretold but with mainstream Christianity having been corrupted and controlled by the Global Elite what are we as Christians to do This guide book which has been specifically written for people of the Christian faith may hold that very answer As those Christians who are unprepared for the seven year tribulation having bought into the false doctrine of a pre tribulation rapture are completely unprepared for what will be the most turbulent time in human history Any Christian who believes in the second coming must also believe that the mark of the beast is on the way and unless Christians are prepared they will not endure nor survive the greatest task that God has set for them

Kyle,2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In Apocalyptic Fever Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more    *Can We Survive Our Origins?* Pierpaolo Antonello,Paul Gifford,2015-01-01 Are religions intrinsically violent as is strenuously argued by the new atheists Or as Girard argues have they been functionally rational instruments developed to manage and cope with the intrinsically violent runaway dynamic that characterizes human social organization in all periods of human history Is violence decreasing in this time of secular modernity post Christendom as argued by Steven Pinker and others Or are we rather at increased and even apocalyptic risk from our enhanced powers of action and our decreased socio symbolic protections Rene Girard's mimetic theory has been slowly but progressively recognized as one of the most striking breakthrough contributions to twentieth century critical thinking in fundamental anthropology in particular for its power to model and explain violent sacralities ancient and modern The present volume sets this power of explanation in an evolutionary and Darwinian frame It asks How far do cultural mechanisms of controlling violence which allowed humankind to cross the threshold of hominization i.e. to survive and develop in its evolutionary emergence still represent today a default setting that threatens to destroy us Can we transcend them and escape their field of gravity Should we look to or should we look beyond Darwinian survival What and where if anywhere is salvation    Jewish and Christian Apocalypses Francis Crawford Burkitt,1914    **Zion's Watch Tower and Herald of Christ's Presence** ,1967    **Message** ,1979    **Christian**
