The Routledge Companion to International Hospitality Management Marco A. Gardini,Michael C. Ottenbacher,Markus Schuckert,2020-11-09 The hospitality sector is facing increasing competition and complexity over recent decades in its development towards a global industry The strategic

response to this is still that hospitality companies try to grow outside their traditional territories and domestic markets while the expansion patterns and M A activities of international hotel and restaurant chains reflect this phenomenon Yet interestingly the strategies concepts and methods of internationalization as well as the managerial and organizational challenges and impacts of globalizing the hospitality business are under researched in this industry While the mainstream research on international management offers an abundance of information and knowledge on topics players trends concepts frameworks or methodologies its ability to produce viable insights for the hospitality industry is limited as the mainstream research is taking place outside of the service sector Specific research directions and related cases like the international dimensions of strategy organization marketing sales staffing control culture and others to the hospitality industry are rarely identifiable so far The core rationale of this book is therefore to present newest insights from research and industry in the field of international hospitality drawing together recent scientific knowledge and state of the art expertise to suggest directions for future work It is designed to raise awareness on the international factors influencing the strategy and performance of hospitality organizations while analyzing and discussing the present and future challenges for hospitality firms going or being international This book will provide a comprehensive overview and deeper understanding of trends and issues to researchers practitioners and students by showing how to master current and future challenges when entering and competing in the global hospitality industry *Sustainability in the Hospitality Industry* ,2019 [Environmental Impact IV](#)

J. Casares,G. Passerini,G. Perillo,2018-10-23 Comprising a collection of papers from the 4th International Conference on Environmental and Economic Impact on Sustainable Development the research studies included in this book consider the impact of economic constraints on the environment taking into account the social aspects as well as the over use of natural resources The papers examine issues related to whether some forms of development are compatible with environmental protection particularly in cases of possible serious contamination and toxicity Uncontrolled development can result in damage to the environment in terms of the release of toxic substances and hazardous waste Addressing problems of great importance this book examines more constructive and progressive approaches to ensure sustainability A major motivation is to learn from past failure to avoid repeating similar mistakes while attempting to prevent emerging threats to environmental and ecological systems Fundamental to these concepts are the analysis of the inherent risk and the development of appropriate strategies *GO RURAL!* DAVID SANDUA,2024-01-27 This book is a comprehensive and detailed guide to turning a farmhouse into a charming and successful country hotel With its 250 practical tips it addresses every aspect of the process from the initial idea to the day to day operation Readers will discover how to conduct effective market research design renovations with rustic charm and apply novel marketing strategies to attract a diverse clientele The book highlights the importance of sustainability and how to create unique guest experiences while maintaining a balance between rural authenticity and modern comfort It is a must have tool for any entrepreneur looking to explore the potential of rural tourism

combining a passion for the countryside with business skills to develop a profitable and rewarding project in the hospitality sector **Tourism Destination Management** Manuel Rodríguez-Díaz, Tomás F. Espino-Rodríguez, 2019-09-18 This book collected studies focused on the management of tourist destinations Destinations are complex and adaptive systems where the different elements that make them up have to be oriented towards achieving a common objective that improves the competitiveness of the destination Five main lines of research on tourist destinations can be established 1 the management planning and marketing of destinations with special attention to the tourism supply chain communication and integral management 2 the sustainability of resources and capabilities 3 the renewal of destinations in order to update their offer and main resources to maintain competitiveness 4 online reputation and communication through social media in order to create and enhance a strong brand image and customer loyalty and 5 the application of new technologies in order to develop smart destinations The book is made up of five research studies that focus on analyzing the transition towards a more circular tourist activity in hotels image as a competitive factor of destinations the value of cultural creativity the coherence of online reputation and the relationship between hotel prices and online reputation in different tourist destinations **ICTR 2018**

International Conference on Tourism Research Dr Minna Tunkkari-Eskelinen, JAMK University of Applied Science Jyväskylä, Finland, Dr Anne Törn-Laapio, JAMK University of Applied Science Jyväskylä, Finland, 2018-03-22 These proceedings represent the work of researchers participating in the International Conference on Tourism Research ICTR 2018 which is being hosted by JAMK University of Applied Sciences Jyväskylä Finland on 23-24 March 2018
