## **The Lost Message Of Jesus:**

**The Lost Message of Jesus** Steve Chalke, Alan Mann, 2004 The real Jesus is deeply challenging something which cannot be said for the stain glass window figure of Christian imagery The Lost Message of Jesus is written to stir thoughtful debate to pose fresh questions perhaps even to shed a little new light and help create a deeper understanding of Jesus and his message *The Lost Message of the End Times* Ian Miller, 2021-08-05 The second coming is perhaps the most confusing controversial and contentious of biblical doctrines In The Lost Message of the End Times Ian Miller guides the reader through the many Old and New Testament prophecies that speak of Jesus's return As he does so he brings their powerful hope filled faith inspiring and life changing message to life With clear and easily understood explanations this book will show you how the Scriptures reveal a world of promise not fear a kingdom present not to come and the powerful bride as she is not one that needs to be raptured away **Jesus** Mark F. Traupman, 2006-09 **The Lost Message of Paul** Steve Chalke, 2019-06-20 We have misunderstood Paul badly We have read his words through our own set of assumptions We need to begin with Paul's world view to see things the way he saw them What if original sin was never part of Paul's thinking What if the idea that we are saved by faith in Christ as Luther argued was based on a mistranslation of Paul's words and a misunderstanding of Paul's thinking Over the centuries writes Steve Chalke the Church has repeatedly failed to communicate or even understand the core of Paul's message Although Paul has often been presented as the champion of exclusion he was the very opposite He was the great includer Steve Chalke MBE is a Baptist minister founder and leader of the Oasis Charitable Trust and author of more than 50 books **The Jesus Gospel** Liam Goligher, 2006 Recently much has been written on Atonement theory that would suggest that the Christian message could be re interpreted for post modern times While the desire to communicate with the new generation is well intended we must not stray from the gospel writers The Jesus Gospel reminds its readers of the original intent of God's Word and directs our attention back to the original passages dealing with this important and timeless issue The Last Message of Jesus Christ John Hamilton Timbrell, 1905 **The Mission and Message of Jesus: An Exposition of the Gospels in the Light of Modern Research** H.D.A. Major, T.W. Manson, C.J. Wright, 1946 **Jesus Manifesto** Michael L. Brandes, 1999 For both the lost and the saved following Jesus Christ through salvation and into service is the simple message of the Bible God's Plan For Mankind **A Message from a Lost Soul, Or, Letters from Hell** Valdemar Adolph Thisted, 1906 The Lost Gospel Burton L. Mack, 2013-02-26 The first book to give the full account of the lost gospel of Jesus original followers revealing him to be a Jewish Socrates who was mythologized into the New Testament Christ **Christianity Or Churchianity** Johnnie Craig Woods, 2014-03-24 When the founders of the early Roman Church created the Christian religion were they able to capture the truth as found in the actual gospel words of Jesus Christ Are what we think of as traditional institutions really conveying the true message of love and compassion In Christianity or Churchianity Finding the Lost Message of Christ author J Craig Woods argues that the original

meaning has been lost in a quagmire of politics and policy As the titles implies contemporary Christians are often offered by their churches not the original philosophy of Christ but a church centered interpretation distorted by middlemen who have contributed to a warped vision of Christianity s original messages In this updated edition published by Word Branch Publishing Woods tells readers that the Gospel of love was never intended to be a collection of creeds and doctrines created by a select group of self appointed clerics whose creation of church dogma has only resulted in disputation division and bloodshed throughout the ages This controversial book poses important questions that all Christians as well as non Christians need to consider as the role of Christianity shifts to an ever more political institution Woods assists the reader in discovering the Christian theology that reflects the real meaning of unconditional love as found in the Gospel of Jesus Christ Drawing on his background in both psychology and philosophy Woods outlines the history and background of Christianity while he illustrates where the original message of Jesus Christ has been lost to an often self serving and political hierarchy Woods sums it up for his readers in saying We have no need for any doctrines or dogmas True Christianity is universal kinship The message of Jesus Christ as recorded in both canonical and non canonical sources will be used as our spiritual road map Using quotes from literature and music he blends meticulous research with a truly readable narrative that is a valuable tool for both scholars and laypeople

**The Message of Jesus Christ** Martin Dibelius,1939    **The Gospel Message** ,1926    **The Watchman's message** ,1877    **The Message in Song** Charles Howard Marsh,1911    **The Lost Teachings of Jesus** Mark Prophet,Elizabeth Clare Prophet,1986 Mark and Elizabeth Prophet show that many of Jesus original teachings were lost Some were removed from the Gospels Others were suppressed or kept secret In modern vernacular the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message They answer questions that have puzzled readers of the Bible for centuries    **A daily message for Christian endeavourers, ed. by F.E.
