Intimacy and deception are often entangled. People deceive to lure someone into a relationship or to keep her there to drain an intimate's bank account or to use her to acquire government benefits to control an intimate or to resist domination or to capture myriad other advantages. No subject is immune from deception in dating, sex, marriage, and family life. Intimates can lie or otherwise intentionally mislead each other about anything and everything. Suppose you discover that an intimate has deceived you and inflicted severe even life-altering financial, physical, or emotional harm. After the initial shock and sadness, you might wonder whether the law will help you secure redress. But the legal system refuses to help most people deceived within an intimate relationship. Courts and legislatures have shielded this persistent and pervasive source of injury, routinely denying deceived intimates access to the remedies that are available for deceit in other contexts. *Intimate Lies and the Law* is the first book that systematically examines deception in intimate relationships and uncovers the hidden body of law governing this duplicity. Hasday argues that the law has placed too much emphasis on protecting intimate deceivers and too little importance on helping the people they deceive. The law can and should do more to recognize, prevent, and redress the injuries that intimate deception can inflict.

**Library Journal**, 2009 *Making Love* Marius Brill, 2003 The theft of a book from the library puts Miranda's life in danger. She is oblivious to the fact that the book contains the astonishing secret that love does not exist. Told as if by the book itself, this hilarious tale involves a sick MI5 agent who is sent to break her heart or her neck. **Victim of Love?** Tom Whiteman, Randy Petersen, 1998 *Victim of Love* examines unhealthy relationships and shows readers how to identify their danger signs so they can avoid repeating bad choices. For those looking for balance in their lives, this guide will help them find love that lasts. **Love Cards** Robert Camp, 1997 Through a revolutionary system of fortune telling, *Love Cards* reveals the secrets of your love life that are startlingly accurate and insightful, using just your birthdate and the birthdates of lovers, family, and friends. **God's Top Ten List** Glen S. Martin, 1999-06 There are no absolutes. Absolutely Many people in today's society believe that all truth is relative and that they have the final authority to choose for themselves what is right and wrong. But that's not what God says. According to the Bible, God is the final authority and He has made clear how we are to live and what is right and wrong. In *God's Top Ten List*, Glen Martin takes an in-depth look at the Ten Commandments. He examines what God said and the reasons why He said it. God is not some sort of cosmic killjoy. Rather, He knows our hearts and minds because He made us. He knows how we operate. So God put together an instruction list that, if followed, provides for

a full life and healthy and happy relationships Learn more about your Maker and His loving plan for the people He created Study each of the Ten Commandments to discover how they were designed to show us God s character and lead us to a rich and happy life Follow the ten commandments given to Moses at Mt Sinai so many years ago You won t be disappointed
