The Life Of David Jewish Encounters Series:

The Life of David Robert Pinsky, 2008-08-26 Part of the Jewish Encounter series Poet warrior and king David has loomed large in myth and legend through the centuries and he continues to haunt our collective imagination his flaws and inconsistencies making him the most approachable of biblical heroes Robert Pinsky former poet laureate of the United States plumbs the depths of David's life his triumphs and his failures his charm and his cruelty his divine destiny and his human humiliations Drawing on the biblical chronicle of David's life as well as on the later commentaries and the Psalms traditionally considered to be David's own words Pinsky teases apart the many strands of David's story and reweaves them into a glorious narrative Under the clarifying and captivating light of Pinsky's erudition and imagination and his mastery of image and expression King David both the man and the idea of the man is brought brilliantly to life **Love and Terror in**

the God Encounter David Hartman, 2011-03-25 The intellectual legacy of one of the twentieth century's greatest religious thinkers explained by a leading theologian of our day It is only through experiencing the contradictions in human existence through being overwhelmed by the divine presence through the finite human being feeling terror stricken by the infinite majesty of God that one can develop an authentic religious personality David Hartman From Chapter 6 Rabbi Joseph B Soloveitchik 1903-1993 profoundly influenced modern Orthodox Judaism in the United States and Judaism as a whole by opening up a discourse between the tradition of Torah study and Western philosophical thought The future of both religious Zionism in Israel and of Orthodoxy in America hangs to a great extent on how we interpret his intellectual legacy Dr David Hartman's penetrating analysis of Rabbi Soloveitchik's work reveals a Judaism committed to intellectual courage integrity and openness A renowned theologian and philosopher Hartman meticulously explores the subtlety and complexity of Rabbi Soloveitchik's theological thought exposing a surprising intersection of halakhic tradition and modern Western theology a confrontation that deepens and expands our spiritual understanding Hartman's provocative interpretation bears witness to the legitimacy of remaining loyal to the Judaic tradition without sacrificing one's intellectual freedom and honesty

Judaism's Encounter with Other Cultures Gerald J. Blidstein, 1997-05 The issue of Judaism's relationship to secular learning and wisdom is one of the most basic concerns of Jewish intellectual history The authors collected in this study discuss both sides of the issue and collectively offer an eloquent and convincing case for the perpetuation of Judaism's dialogue with the outside world *Ben-Gurion* Shim'on Peres, 2011 A revelatory portrait of Israel's first prime minister written by its current president includes coverage of his support of the United Nations 1947 Partition Plan for Palestine his granting of first exemptions to Orthodox military servicepeople and his peaceful overtures toward post Holocaust Germany

D. Stulac, 2023-11-27 *Tragedy of the Commons* invites readers into a fresh exploration of the book of 1 Samuel which tells the story of Saul Israel's first monarch and the personification of its chronic sins Stulac's unique voice combines sensitive exegesis with probing meditations on culture art literature memoir and Christian spirituality He cuts deftly through the moralistic reductions of Old Testament stories for which the church too often settles and in doing so reveals the life giving rhetoric of a biblical book aimed squarely at the reader's transformation of mind and heart Israel's common tragedy writes Stulac will be solved through a lengthening and a deepening of the tragedy itself Finding his people up to their eyeballs in sewage God dives into the polluted abyss swims to the bottom and unplugs the pipe below their flailing feet From Hannah's miracle baby to Saul's suicide *Tragedy* helps readers to recognize both their own predilection for idols as well as the surprising ways that 1 Samuel anticipates the gospel of Jesus Christ King Saul serves not as a finger wagging argument for God's disengagement from his people's fate Stulac claims but as the shocking conduit of God's incarnational involvement in their corporate mess *Sons of Saviors* Rebekka Voß, 2023-07-04 Envisioned as a tribe of ruddy faced redheaded red bearded Jewish warriors bedecked in red attire who purportedly resided in isolation at the fringes of the known world the Red Jews are a legendary people who populated a shared Jewish Christian imagination But in fact the red variant of the Ten Lost Tribes of Israel is a singular invention of late medieval vernacular culture in Germany This idiosyncratic figure together with the peculiar term Red Jews existed solely in German and Yiddish the German Jewish vernacular These two language communities assessed the Red Jews differently and contested their significance which is to say they viewed them in different shades of red The voyage of the Red Jews through the Jewish and Christian imagination from their medieval Christian nascence through early modern Old Yiddish literature to modern Yiddish culture in Eastern Europe Palestine and America is the story of this book By studying this vernacular icon Rebekka Voß contributes to our understanding of the formation of minority awareness and the construction of Ashkenazic Jewish identity through visual cultural encounters She also spotlights the vitality of vernacular culture by demonstrating how the premodern motif of the Red Jews informed modern Yiddish literature and how the stereotype of Jewish red hair found its way into Jewish social critiques political thought and arts through the present day *Sons of Saviors* is a story about power the Yiddish reappropriation of the Red Jews subverted the Christian color symbolism by adjusting the focus on redness from a negative stereotype into a proud badge of self assertion The book also includes in an appendix the full text of a significant Yiddish tale featuring the Red Jews **Jewish Book World**, 2008 **The Book Review Digest**, 2005 **A Jew in the Street** Nancy Sinkoff, Jonathan Karp, James Loeffler, Howard Lupovitch, 2024-06-25 These investigations illuminate the entangled experiences of Jews who sought to balance the pull of communal religious and linguistic traditions with the demands and
