description of real Christianity It also provides the reader with the differences between true Christianity and the many pretenders that have arisen over the centuries since its inception That is one good reason this book originally published in 1677 continues to sell It is a must read for anyone who is serious about finding the narrow gate and walking the narrow path that leads to life In this book Scougal deals with topics such as eternal life born again salvation faith loving God experiencing God s presence absolute surrender finding peace with God the nature of God the character of God God s grace God s care for us the sovereignty of God power to live abundant life victory over sin victory over the world spiritual growth developing a personal relationship with God loving others transformation renewing the mind obedience holiness pleasing God doing God s will worshipping God real humility real purity effective prayer meditation false ideas about Christianity the fallen nature worldly vision vs eternal vision worshipping in vain surface religion vs internal religion hypocrisy and distinguishing between spirit soul and flesh This book is recommended for establishing new believers in the faith and helping them grow in the grace and knowledge of Jesus Christ It is perfectly suited for discipleship group study and spiritual development courses Scougal s book gives us an opportunity to look back into time at historical classical Christianity It is a monument in the advancement and improvement of the Protestant Reformation Therefore the reader can better distinguish the differences between the many errors in modern Christianity and Christianity prior to these modern deviations God has used this book in bringing revivals Charles Wesley and George Whitefield who were instrumental during the Great Awakening testified to the importance of this book in their own lives Wesley gave Whitefield a copy of this book For this reason Whitefield s quote I never knew what real Christianity was until God sent me this excellent book has adorned the covers of earlier printings Readers familiar with the great works of Christian literature written in the nineteenth and twentieth centuries will recognize the influence this book had upon those authors This book will prove to be very helpful to those who know the end time prophecies regarding the corruption infiltration and apostasy of organized religion It will help them to set a course out of the slow fade and into personal revival All these reasons make this book an invaluable asset to all who desire to grow in their relationship with God The insights that Scougal penned regarding the deeper more intimate walk with God will encourage new believers the most devout saints and everyone in between And now there is even more reason for this book to remain popular Words like adumbrate and inveigle have been replaced with everyday words The original meanings of the many words and phrases that have changed with the passing of time have been raised from the dead Now the average person can read and comprehend it without getting a migraine or even dusting off an old dictionary There is no longer any need to be reluctant to give this book to a friend or loved one due to the difficult language of the original The reading is now smooth sailing And yes it will still amaze you with the depth of insight incredible wisdom and practical advice found in the original
