Burning Bush, 1924 **The Rainbow Portal of Beliefs** Søren Krause, 2022-12-16 Dear Reader, how do you feel about your life? Is it fulfilling and meaningful? Or do you feel that something is missing? During my life journey, I realised that each of us has a mission or a call which we often tend to be more or less conscious about. And when we succeed in finding it, we become highly motivated to realise it, as it provides us with our deepest longings. The call goes far beyond what you can experience through your normal senses and beyond what natural science can explain. Essential human topics like faith, hope, and love belong to different concepts which cannot be proved but only experienced. Furthermore, you will discover that if you identify your call and live it out accordingly, you will experience the most fulfilling and meaningful life. Even better, you become the best version of yourself. As a bonus, you will have an apparent reference whenever you need to make choices that have a far-reaching impact on your life. This book provides you with different perspectives and tools that can encourage you to become the driver in your life. As an aspiration, we follow the complete lifecycle of a person named Senius who realised during his journey of why he was satisfied with less and learned about all his considerations to find and realise his call. The symbols below illustrate Senius' call. May you find inspiration to develop your potential for an enriching life that will make you shine like a lighthouse and as an exemplary citizen of the global community. With these wishes, I send you my regards in the name of love and wisdom. Søren Krause

Endeavor Convention, 1896 *The House of Hades* Eva Pohler, 2014-07-13 Just when things were looking up for Than and Therese, everything crumbles. Therese Mills has second thoughts about marrying Thanatos when she learns that no god has ever been faithful to his wife. But before she can move out of Than's rooms and into Hecate's, the Underworld is attacked; she and her friends are crushed, the souls are unleashed, and a malevolent goddess threatens to unhinge Mount Olympus. Hypnos has just made a deal with Hades to have his turn in the Upperworld, but before he can tempt Jen with a kiss, he's called back to rebind the souls and defend the House of Hades, and he unwittingly puts Jen and her family in harm's way. Can Hip Than and Therese save the living and the dead? Formerly, The Gatekeeper's House Praise for *The House of Hades* This is an edge-of-your-seat thrill ride tale. I love this book from start to finish, and I can't wait for the next one. Stephanie S.
