The Little Red Of Running Little Red S:

The geological distribution of natural gas in the United States Charles Albert Ashburner,1887 Little Red Book,1926 *Playing with Picturebooks* C. Allan,2012-10-10 Offers new insights into the continuing influence of postmodernism on a wide range of international picture books for children published between 1963 and 2008 Its chapters include metafiction disruption to narrative conventions interrogation of truths historiographic metafiction difference and ex centricity globalisation and media Kindergarten Review,1906 **Windows and Words** Susan-Ann Cooper,Aïda Hudson,2003 Windows and Words is a collection of seventeen essays that confirms and celebrates the artistry of Canadian Children s Literature There are essays that survey a wealth of English language fiction from the internationally acclaimed work of Lucy Maud Montgomery the aboriginal adolescent novel to the increasingly multi cultural character of children s books Others examine book illustration visual literacy and the creative partnership seen in the picture book and its art design With contributions by two Governor General s Award winning authors Janet Lunn and Tim Wynne Jones and a final commentary by Elizabeth Waterson the heart of this collection offers a unique perspective on the artistry of writing for children and claims a rightful place for Canadian children s literature as literature The Township Geology of Elk and Forest Counties and of Cameron County Charles Albert Ashburner,1885 **Australian Wildlife After Dark** Martyn Robinson,2016-04 Australia is a land of many unique animals some of which are active only during the cooler evening and night time and so are rarely seen These are the after dark animals so widespread yet so little noticed by humans whether in our backyards the arid desert woodlands or rainforest Australian Wildlife After Dark brings this hidden fauna into the light The after dark fauna includes a surprising diversity of familiar and some not so familiar species from cockroaches moths and spiders through to bandicoots bats and birds and then some Each example is described in a unique friendly style by Martyn Robinson familiar to many Australians through his frequent media appearances on ABC Radio and in Burke s Backyard magazine and Bruce Thomson an internationally renowned wildlife photographer and bat researcher The book includes stunning photography and boxes that highlight selected topics such as the windscreen wiper eyelids of geckoes and the strategies used by night time plants to attract pollinators Also included are practical tips on finding nocturnal wildlife a glossary of scientific terms and a short bibliography **Teaching Through Texts** Holly Anderson,Morag Styles,2002-02-07 Drawing on many popular and literary texts the contributors to this book write with enthusiasm about opportunities for creative teaching and learning and provide many examples of good practice both inside and outside the Literacy Hour Folktales and Fairy Tales Anne E. Duggan Ph.D.,Donald Haase Ph.D.,Helen J. Callow,2016-02-12 Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present Folktales and fairy tales have long played an important role in cultures around the world They pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that

now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource
