**Hip-Hop Authenticity and the London Scene** Laura Speers,2017-02-17

This book explores the highly valued and often highly charged ideal of authenticity in hip hop what it is why it is important and how it affects the day to day life of rap artists By analyzing the practices identities and struggles that shape the lives of rappers in the London scene the study exposes the strategies and tactics that hip hop practitioners engage in to negotiate authenticity on an everyday basis In depth interviews and fieldwork provide insight into the nature of authenticity in global hip hop and the dynamics of cultural appropriation globalization marketization and digitization through a combined set of ethnographic theoretical and cultural analysis Despite growing attention to authenticity in popular music this book is the first to offer a comprehensive theoretical model explaining the reflexive approaches hip hop artists adopt to live out authenticity in everyday life This model will act as a blueprint for new studies in global hip hop and be generative in other authenticity research and for other music genres such as punk rock and roll country and blues that share similar issues surrounding contested artist authenticity
