The heart of this volume comprises Rudolf Steiner s commentary on the elemental forces that are responsible for our earthly nature as human beings forces that influence us through our membership of a national or geographical group When such elemental forces are not recognised and understood he states they cause conflict and chaos However Steiner indicates an important accompanying task that calls upon each human being to develop individuality emancipating ourselves from the earthly influences underlying national and racial groups These great themes are framed by Rudolf Steiner s pioneering research into the two major Northern folk poems the Kalevala and The Dream Song of Olaf steson The former tells of the elemental spirits who created the conditions for our earthly incarnation whereas the Dream Song has to do with the drama of excarnation the journey of the human soul after death Linking these vast motifs is Steiner s unique description of the mission and tasks of the Russian people and the contrast of their destiny to the North American people who he says are dominating the Earth for a brief period of increasing splendour Steiner explains how elemental beings responsible for the balance of land and sea have created conditions where various peoples are enabled to develop their gifts and fulfil their destinies Thus he

speaks of Finland as the ancient conscience of Europe Russia as the future bearer of the Christ imbued Spirit Self and the differing but complementary environments of Germany and Britain Strikingly he states that no souls on Earth love one another more than those living in Central Europe and those living in the British Isles Rudolf Steiner also speaks of the necessary work of luciferic and ahrimanic beings that collaborate to enable the solid spatial forms of our physical bodies Likewise they influence our etheric and astral bodies facilitating thinking feeling and will to be imbued with life and consciousness

**The Everything Freemasons Book** John K Young, Barb Karg, 2006-03-13 For thousands of years one clandestine organization has been rumored to control the destinies of men cities even nations Freemasonry Often traced back to the stonemason guilds of the Middle Ages Freemasons were supposedly to be found among all the great minds of the Renaissance including Da Vinci The Freemasons have claimed such illustrious personages as Mozart Benjamin Franklin Darwin FDR Churchill W C Fields Herbert Hoover and many others as members Even today Freemasonry boasts Masonic lodges all over the globe The Everything Freemasons Book examines all the aspects of this fascinating organization including myths legends and stories of this ancient order what s true and what s not the closely guarded secret rituals symbols and esoteric arts the Freemasons enemies from the Catholic Church to the Nazis the many controversies surrounding this secret society past and present

**The Hiram Key Revisited** Christopher Knight, Alan Butler, 2014-04-08 THE MOST COMPREHENSIVE AND COMPELLING BOOK EVER WRITTEN ABOUT THE SECRET SOCIETY THAT SHAPED THE MODERN WORLD Freemasonry with its arcane rituals occult symbols and labyrinthine hierarchy has mystified the outside world for centuries But it has become apparent that even the most senior Freemasons do not understand its ancient origins or purpose So what is this powerful and arcane organization really for In this eye opening account two seasoned researchers show that today s Freemasons are the spiritual descendants of an ancient priesthood that was forced to act in secrecy They predicted the birth of the coming Messiah and Jesus Christ was part of their mission Soon after the Crucifixion they were nearly wiped out by a program of mass genocide conducted by the Romans later in feudal Europe they grew to a position of unparalleled power before being branded as heretics and forced underground But they could not be stopped and they continued to work in subtle sometimes subversive always anonymous ways to pursue their objective a new world order that put God above and yet out of human affairs
