The Magnificent Strangers Brett Halsey,1978 The Strangers' Guide to the City of Chicago ,1873 *The City on Screen: Modern Strangers of Cinematic Istanbul* Sertaç Timur Demir,2024-01-02 The City on Screen Modern Strangers of Cinematic Istanbul attempts to analyze how Istanbul is captured through the projector in other words the ontological relationship between city and film and how it is elaborated within the context of Istanbul and the sense of strangerhood This book shifts the axis of Istanbul typically known as a touristic city to its underlying details through the strangers in the modern city Five different films set in this region are analyzed in the text that help to reveal and clarify the socio urban life of modern Istanbul The characters and stories in these films tell how Istanbul has socially and architecturally become a city of strangers The films analyzed include A Touch of Spice 2004 Men on the Bridge 2009 A Run for Money 1999 Distant 2002 and 10 to 11 2009 The theoretical framework of this book is based on the works of Georg Simmel Zygmunt Bauman and Richard Sennett These three thinkers have all attempted to look for answers to the sociological question of strangerhood in urban living This book accomplishes this connection by discussing the similarities and differences between each of their theories regarding the city cinema and strangerhood Stranger's Handbook and Illustrated Guide to the City of Salisbury J.
