When Hope Whispers:

When Hope Whispers Zoleka Mandela, 2013 Despite being only 33 years old Zoleka Mandela has endured enough to fill several lifetimes While she may be a member of South Africa's own royal family Zoleka has not led a sheltered life She has traveled down paths which most would not dare from the horror of losing two children within two years to the shadowy journey through cocaine addiction and rehab and being diagnosed with cancer Though she was robbed of her children stripped of her sobriety and subject to a disease that necessitated a double mastectomy Zoleka Mandela is not a victim She is a survivor and her story serves as testimony to the strength of the human spirit in fighting against life's challenges Zoleka is a living example of success in spite of overwhelming challenges She is now clean and cancer free she had her last session of chemotherapy in April 2013 and has been sober for 36 months Through her story it is impossible not to have faith in the good things in life and possible to believe that anything is achievable
