

A background image of a sunset over a mountain range. The sun is low on the right side, casting a warm orange glow across the sky and the silhouetted mountains. The quote is centered in the upper half of the image, with each line of text on a separate dark rectangular background.

When critics ask you if you feel
vindicated by other critics – I didn't like
critics then, and I don't like them now.
There you go. I've always been outside
the mainstream, and it stayed that way.

When Critics Ask:

When Critics Ask Norman L. Geisler, Thomas A. Howe, 1992 This comprehensive volume offers clear and concise answers to every major Bible difficulty staunchly defending the authority and inspiration of Scripture *Can Christians Prove the Resurrection?* Sandoval Chris Sandoval, Chris Sandoval, 2010 Christian apologists like Josh McDowell Norman Geisler and William Lane Craig have claimed that the Resurrection of Jesus is the best proved fact of history As they tell the story the original eyewitnesses of the risen Jesus sacrificed their lives for their faith and people who knew Jesus during his lifetime would have challenged any errors in their testimony Allegedly these and many other lines of historical evidence prove the Resurrection beyond a reasonable doubt In *Can Christians Prove the Resurrection* the traditional Christian arguments for the Resurrection are analyzed and critiqued In reality we do not know how most of the apostles met their fates and religious sects like the Kimbanguists and Hasidic Jews have likewise proclaimed miracles and produced martyrs within the lifetimes of eyewitnesses who should have been able to set the record straight These and many other lines of evidence raise copious reasonable doubts regarding the claims of the apologists as this book demonstrates Once all the relevant evidence is examined it becomes clear that there is little likelihood that Jesus of Nazareth arose from the dead or that the Resurrection ever took place

The Clarity of Scripture James Callahan, 2020-08-31 IS SCRIPTURE CLEAR IF IT IS WHY DO PORTIONS OF IT SEEM SO OBSCURE IF IT ISN'T WHY HAVE THEOLOGIANs SPENT SO MUCH TIME DEFENDING THE NOTION OF ITS CLARITY AND MORE IMPORTANT ARE CHRISTIANs ENGAGED IN A FUTILE EFFORT IN TRYING TO READ AND UNDERSTAND IT JAMES CALLAHAN OFFERS VALUABLE INSIGHT INTO THE COMPLEX NOTION of biblical perspicuity He sets the issues within the history of the church and traces how the Bible's clarity has been understood practically and theologically over time With precision and care he clarifies the role of historical context authorial intent and reader response in a constructive articulation of how we come to understand Scripture's meaning Contemporary literary studies inform his discussion and suggest the importance of intertextuality and intratextuality in the reading of Scripture Ultimately Callahan argues Scripture

must be viewed as a privileged text within a privileged community Nevertheless it must be read not arrogantly but with humility under the searching glance of the God who caused it to be written *Owning William Shakespeare* James J. Marino, 2011-09-21 Copyright is by no means the only device for asserting ownership of a work Some writers including playwrights in the early modern period did not even view print copyright as the most important of their authorial rights A rich vein of recent scholarship has examined the interaction between royal monopolies which have been identified with later notions of intrinsic authorial ownership and the internal copy registration practices of the English book trades Yet this dialogue was but one part of a still more complicated conversation in early modern England James J Marino argues other customs and other sets of professional demands were at least as important most strikingly in the exercise of the performance rights of plays In *Owning William Shakespeare* James Marino explores the actors system of intellectual property as something fundamentally different from the property regimes exercised by the London printers or the royal monopolists Focusing on *Hamlet* *The Taming of the Shrew* *King Lear* and other works he demonstrates how Shakespeare's acting company asserted ownership of its plays through intense rewriting combined with progressively insistent attribution to Shakespeare The familiar versions of these plays were created through ongoing revision in the theater a process that did not necessarily begin with Shakespeare's original manuscript or end when he died An ascription by the company of any play to Shakespeare did not imply that it was following a fixed authorial text rather Marino writes it indicates an attempt to maintain exclusive control over a set of open ended theatrically revised scripts Combining theater history textual studies and literary theory *Owning William Shakespeare* rethinks both the way Shakespeare's plays were created and the way they came to be known as his It overturns a century of scholarship aimed at re-creating the playwright's lost manuscripts focusing instead on the way the plays continued to live and grow onstage **Answering the Music Man** B. Kyle Keltz, Tricia Scribner, 2020-05-29 Dan Barker ex preacher and co founder of the Freedom From Religion Foundation travels widely arguing in debates and speaking on his beliefs that Christianity is false God does not exist and the Bible is filled with errors and mythology He has been touted as one of America's leading atheists Yet close examination of his arguments shows that Barker's reasons for disbelief are poorly reasoned and miss the mark as they are aimed at a mistaken caricature of Christian theism *Answering the Music Man* exposes Barker's misunderstandings of Christianity and provides compelling answers to Barker's arguments *Case for Christ/Case for Faith Compilation* Lee Strobel, 2010-02-23 Was God telling the truth when he said You will seek me and find me when you seek me with all your heart In his 1 bestseller *The Case for Christ* Lee Strobel examined the claims of Christ reaching the hard won verdict that Jesus is God's unique son In *The Case for Faith* Strobel turns his skills to the most persistent emotional objections to belief the eight heart barriers to faith This Gold Medallion winning book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path For Christians it will deepen their convictions and give them fresh confidence in discussing Christianity with
