This study guide is formatted in a way to help with personal application conversation as a couple and for small group discussion as well. Marriages that last are built on our responses to defining moments. Pastor and author Dave Harvey has identified those life defining moments of a post newlywed marriage. He wants to help you recognize them in your own relationship so you can take a proactive godly approach to resolving conflicts, hold one another up as change inevitably happens and ensure that your marriage survives and thrives. This study guide is the companion to his popular book *I Still Do* Perfect for couples, pastors, counselors and small groups. [Letting Go](#) Dave Harvey, Paul Gilbert, 2016-11-08 What do you do when someone you love leaves? And how do you pursue someone who has hurt you, who has sinned against you? In *Letting Go*, pastors Dave Harvey and Paul Gilbert share stories of pain and stories of hope as they reveal how to care for the prodigal who has strayed. Whether you are dealing with an unfaithful marriage partner, a rebellious child or a wayward friend, the counsel they offer will help you to pursue a gospel rooted approach grounded in truth and practiced in the midst of Christian community. While each situation is unique, most stories deal with common themes of shame, guilt, confusion, uncertainty and struggle. You will understand the spiritual dynamics at work in the heart of the prodigal and how you, as a family member, spouse, friend or church leader, can best relate to them in love. You will learn how to practice redemptive release through confrontation and discipline, as well as how to forgive the person who has hurt you through a process of reconciliation. For those in a time of waiting and wondering if their loved one will ever return home, there is a reminder of the hope of the gospel and the necessity of depending upon the Holy Spirit through prayer. A must have resource for every believer struggling to love the prodigal back home again, it is ideal for parents and siblings, counselors, pastors and those ministering to hurting families and churches. [I Still Do Devotional](#) Dave Harvey, 2020-10-06 Durable marriages are built on our responses to defining moments, those experiences, events and decisions that determine and sometimes alter our whole direction. But not all of those moments are going to be big. In fact, big moments are actually made up of many smaller moments, and it's how we react in those everyday, seemingly insignificant moments that determines how we'll act in the big, life transforming ones. This 31 day devotional is designed to help you and your spouse prepare for those moments. Grounded in Scripture, each devotion includes a brief point of reflection along with an application or a prayer designed to show you how to meet Jesus in every moment of your marriage, no matter how long you've been married. [Changing Natures - Study Guide](#), **I Still Do** Dave Harvey, 2020-01-21 Lasting marriages are built one defining moment at a time. The moment of blame. The moment of weakness. When your spouse suffers. When dreams

disappoint When the kids leave the nest It s how we think and behave toward one another in moments like these that determines whether our marriage endures or falters Ultimately these are invitations from God to consider our direction and pursue transformation With 37 years of marriage and 33 years of pastoring under his belt Dave Harvey has identified those life defining moments of a post newlywed marriage He wants to help couples recognize them in their own relationships so that they can take a proactive godly approach to resolving conflicts holding one another up as change inevitably happens and ensuring that their marriage survives and thrives Whether your relationship is maturing gracefully just needs a tune up or you and your spouse are locked in conflict and your future seems uncertain Dave Harvey has encouragement and practical tools to help strengthen what remains and build a rock solid union for the days to come Unlocking the Bible Story Old Testament Vol 2 with Study Guide Colin S.
