When the World Breaks Open Seema Reza,2016-03-08 A poet s story of healing herself working with wounded veterans and learning that silence does not equal strength written with self lacerating honesty Kirkus Reviews In this poignant and unabashed self examination Seema Reza uncovers the lessons she learned through motherhood and a dysfunctional and abusive marriage and how she used her discoveries to make a meaningful difference in the world This lyrical non linear narrative memoir traces Reza s journey from repressed suburban housewife to coordinator of a unique creative expression military hospital program Through observing her own experiences from the darkest moments of her life and investigating societal attitudes towards loss love motherhood and community Reza exposes her triumphs weaknesses fears and regrets and undermines the idea that strength requires silence Lyrical powerful It is her self reflection which empowers this memoir her responsibility to take action for herself and not to languish as she was Entropy Literature Review

When the World Breaks Jason Adam Miller,2023-08-01 In this groundbreaking book Pastor Jason Adam Miller re examines the Beatitudes eight paradoxes found in Jesus Sermon on the Mount and points to a whole new way to find hope in the midst of suffering If the past few years have taught us anything it s that the world is broken The world we thought we knew vanished and so many of us are now struggling to make sense of a world that s not what we thought it was This book is about what happens when the fundamental picture we had relied on our sense of how everything holds together falls apart For some this moment comes when a global pandemic upends our security For others it s a partner leaving or a terrible diagnosis or the death of a loved one Many of us have felt our worlds breaking when long held beliefs about God or faith slipped through our hands Whether the details are global or personal the experience is the same you discover that the framing reality you were living in has fractured But here s the good news The world has been breaking for as long as we can remember We ve been here before which means we can turn to ancient perennial wisdom to help us sort through these urgent problems In When the World Breaks Jason Adam Miller explores the possibilities for hope hidden in the paradoxes Jesus spoke when he taught the eight blessings often called the Beatitudes recorded in the beginning of Matthew chapter 5 These strange blessings name our experiences of suffering and are built on a particular kind of hope This book is a meditation on those teachings as a transformative way forward when we suffer Lyrically written theologically rich and supremely accessible When the World Breaks reveals an unexpected way to look at these familiar verses giving readers hope that God is with them in their suffering and helping them become the kind of people who can put things back together

**When a Mother Turns Monstrous** Pantiliu Ruangmeiluh,2025-11-24 When a Mother Turns Monstrous Innocent Blood Bleed is a hauntingly powerful true story of innocence betrayed faith tested and a woman s unbreakable will to survive when the people she trusted most turned against her In this deeply personal memoir Pantiliu Ruangmeiluh recounts the dark chapter of her life when cruelty deception and violence entered her world in the most unexpected form through the face of those once called

family and friend From the trauma of betrayal to the terror that followed her journey unfolds with honesty and grace revealing how pain can give birth to courage Through vivid memories and unflinching truth Pantiliu brings readers into the heart of her lived experiences the nightmarish days of danger the rare kindness of those who sheltered her and the strength that rose from the ruins of fear Yet even in her most wounded moments she chooses compassion over vengeance and remembrance over silence This is not just a survivor s story it is a cry for justice a tribute to the innocent lives lost and a prayer for humanity s awakening Dedicated to Lungnila Elizabeth and to all children who have suffered in the hands of cruelty this book is a reminder that even in the darkest hour truth still has a voice and love still finds a way to heal Logic and Life Henry Scott Holland,1882

**Reunion** Elizabeth Fishel,2000 It was from my curiosity about the gap between childhood dreams and midlife realities between youthful promise and womanly fulfillment that the idea for this book was conceived Raised to believe they were among their generation s best and brightest my class can be seen as a bellwether for a generation caught without a compass on the cutting edge of uncharted territory After graduation they faced an explosion of choices unimaginable when they were schoolgirls Each graduate willing or no prepared or not would become a pioneer trying to discover her path on roads that were not yet on anybody s map Their choices energized and empowered some stymied or sidelined others I began this book to find out why In Reunion Elizabeth Fishel interweaves the story of the Brearley School class of 1968 with the history of a generation of American women born into tradition in the 1950s and engulfed by radical politics and social change in the 1960s and 1970s Beginning at the twenty fifth reunion of her class Fishel traces the lives of ten of her classmates at one of the nation s oldest and most renowned girls schools Nineteen sixty eight was a watershed year a year Time magazine said shaped a generation and Reunion explores how each of that year s bright privileged famously situated but often emotionally struggling graduates coped with the social upheavals of the sixties and the decades beyond Reunion looks at the contradictions in the lives of young women born into a traditional world of nonworking mothers and propelled into an environment of feminism sexual liberation and political radicalism Fishel explores what happened to her classmates particularly behindclosed doors to discover why so many women from her class didn t fare as well in life as women who graduated only five years later Filled with moving anecdotes important life lessons and revelations Reunion is a powerful story of the women at one of America s top schools as well as a history of an in between generation
