Where Is Silas Where Is Silas:

Where is Silas? Andy Holmes, Russell Waterman, 2003-10-21 Hip clothing brand Silas Mariaworks with a wide range of artists and designers across media to keep the label's identity evolving. With an irreverent approach that refuses to take itself too seriously, this creative outpouring brochures, catalogs, stickers, an interactive website, and the famous Silas dolls designed by James Jarvis has become the trademark of the brand. Set around a loose narrative, this volume includes works ranging from photography, illustration, and 3D pieces to creative writing and design created by a diverse pool of talent including Ben Sansbury, Lizzie Finn, Fergus Purcell, James Jarvis, Clare Shilland, and Will Sweeny. All key contributors have produced work exclusively for this project.

Reports of Cases Determined by the Supreme Court of the State of Missouri Missouri.

Supreme Court, 1885 A Misplaced Life Heather Michelle, 2022-03-01 Elodie Harper is tired of putting her life on hold. A dead end job and a host of magical and successful roommates constantly popping in and out of her day are only a reminder her desires and wishes are so very far outside of her control. Uncovering secrets long hidden hint at feelings of betrayal as Elodie and her friends embark on a longshot adventure. In this finale join the Misplaced Children now grown up as they search for a key to break their spell and be free to live their lives on their own terms. It's been seven years since Elodie Last traveled to the world of her birth. Working a dead end job, Elodie is waiting for her life to start. Instead of waiting patiently, she's taking the easy way out, disassociating and slowly watching life pass her by day by day. Through a group effort of Elodie and her fellow Misplaced, they gain the upper hand on the spell and force their way back to the Twoshy, although how long they can stay is limited and unknown. Join them as they race against the clock searching for clues with the desperate hope of one day being free from the illusion forever.

The New School-ma'am G. H. McArthur, 1916 **Tales of the Congaree**

Edward C. L. Adams, 2014-02-01 This volume brings back into print a remarkable record of black life in the 1920s chronicled by Edward C. L. Adams, a white physician from the area around the Congaree River in central South Carolina. It reproduces Adams's major works, *Congaree Sketches* 1927 and *Nigger to Nigger* 1928, two collections of tales, poems, and dialogues from blacks who worked his land, presented in the black vernacular language. They are supplemented here by a play, *Potee's Gal*, and some brief sketches of poor whites. What sets Adams's tales apart from other such collections is the willingness of his black informants to share with him not only their stories of rabbits and hants but also their feelings on such taboo subjects as lynchings, Jim Crow courts, and chain gangs. Adams retells these tales as if the blacks in them were talking only among themselves. Whites do not appear in these works except as rare background figures and topics of conversation by Tad Scip and other black storytellers. As Tad says, "We talkin' to we." That Adams was permitted to hear such tales at all is part of the mystery that Robert O. Meally explains in his introduction. The key to the mystery is Adams's ability in his life as in his works to wear both black and white masks. He remained a well placed member of white society at the same time that he was something of a maverick within it. His black informants therefore saw him not only as someone more likeable and trustworthy

than most whites but also as someone who was in a position to help them in some way if he understood more about their lives As a writer O Meally suggests Adams was not simply an objective recorder of folklore By donning a black mask Adams was able to project attitudes and values that most whites of his place and time would have disavowed As a result his tales have a complexity and richness that make them an authentic witness to the black experience as well as a lasting contribution to American letters
