Education**

Where To Buy Textbooks For College:

College for Sale Wesley Shumar, 1997 This text analyses higher education in the US and other western countries since the 1970s whereby market place logic has influenced the education system It describes the transformation of US universities as they attempt to accommodate the changes on their own and their students academic lives International Book Publishing: An Encyclopedia Philip G. Altbach, Edith S. Hoshino, 2015-05-08 First Published in 1996 This encyclopedia is unique in several ways As the first international reference source on publishing it is a pioneering venture Our aim is to provide comprehensive discussion and analysis of key subjects relating to books and publishing worldwide The sixty four essays included here feature not only factual and statistical information about the topic but also analysis and evaluation of those facts and figures The chapters are significantly more comprehensive than those typically found in an encyclopedia
