Bernie Sanders, Adolf Hitler, Joseph Stalin, Fidel Castro & Other Socialists Jon Robins, Ian Tinny, Dead Writers Club, Rex Curry, Bernie Sanders. BS self identifies the same way that Adolf Hitler self identified SOCIALIST. In voluminous speeches and writings Hitler glorified the identical word touted by BS as his political philosophy. Hitler's swastika was S letter shaped symbolism for his socialism. BS proudly classifies himself in the same fashion as Hitler and the world's other genocidal psychopaths. Bernie Sanders was endorsed by Alexandria Ocasio Cortez (AOC) in the 2020 presidential election and AOC actively campaigns for BS. Why does AOC support such an old white male? She promotes him because they share the same extremist dogma. How did they both become socialists? AOC was heavily influenced by BS. The USA's two worst national socialists were both born and raised in New York City. AOC grew up during BS's years as a career politician. She learned a lot about socialism and wanted to get on the dole too. BS is the oldest white male who is running for nomination. BS is so elderly that he could be AOC's grandfather; he is 48 years older than her. AOC was born a year after BS's infamous honeymoon in 1988 in the USSR, just as Soviet socialism self-destructed. Sanders was born in 1941, shortly after Soviet socialism's partnership with German socialism. Soviet socialism under Stalin and German socialism under Hitler had joined to launch WWII, destroying Poland together and going onward from there in a pact to enslave Europe. After German socialism was defeated, Soviet socialism continued as Sanders grew up to ruin millions of lives and increase its record setting mass murders. As a child, Sanders had learned about socialism from his parents and other relatives. They attended government schools, socialist schools in the USA where students were forced to perform the Nazi salute and chant robotically to the flag each morning at the ring of a bell. The Pledge of Allegiance to the USA's Flag was the origin of the infamous stiff armed salute and other propagandistic behavior that was borrowed decades later under German socialism and under other socialists worldwide. The pledge was written by an American socialist, Francis Bellamy, in order to spread socialism. Anyone who refused the ritual in the socialist schools was persecuted. At that time, the socialist schools taught racism as official policy and imposed segregation by law. Sanders also learned socialism from government schools that he attended and he chanted in unison each morning to the flag too, although the gesture had changed to hide socialism's putrid history. During Sanders' youth, the socialist schools continued to teach racism as official policy and continued to impose segregation by law. America's Nazi

salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don't want to know the truth about the government's past American youth groups Scouting adopted Bellamy's American Nazi salute with Bellamy's encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another shocking revelation swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book

To everyone who threw up on Hitler's election night, who sobbed on the bathroom floor at Stalin's power grab, who dry heaved trying to imagine how to tell the children what happened under Mao, who couldn't stop physically shaking due to the Kim thugs, who felt the horror of what was to come under all socialism, I say this: WE KNEW WE KNEW WE KNEW. Stalin, Mao, and Hitler proved that the ability to speak does not make one intelligent. They murdered millions with their mouths. The verbal diarrhea continues to spew. Today the greatest threat of extinction we face is not asteroids or climate change or disease or famine. It's society's refusal to heed the warnings of these pages. This empowering book takes aim at toxic culture and gives everyone a voice to transform his community. Professor Curry vastly exceeds all other historians in wisdom, honesty, integrity, selflessness, and humility. Especially humility. Ward Toolen: There is rumor of a Pulitzer Prize for exposing the Pledge of Allegiance as the origin of Nazi salutes and Nazi behavior and the swastika as alphabetical S letter shaped symbolism for socialist. Congratulations Aleta Yates. Stop The Pledge STP Foundation. In this book, the author Lin Xun overshadows lethal language Francis Hannah Cruz. **Adolf Hitler - European Tour** Ian Tinny, Dead Writers Club, Micky Barnetti, Rex Curry, Adolf Hitler's European tour started with small gigs in German beer halls. It grew to sold out crowds of worshipful fans raising their arms and chanting in adulation. They came for his hypnotic voice and signature mustache, outrageous costumes, rituals, and symbols. From there, Hitler's band took Europe by storm with a swift series of top hits. This book exposes the dark side of Hitler. His plagiarism from earlier inspirations far beyond Germany, some deep inside the USA. The USA was the origin of Nazi salutes and Fascist behavior through the work of an American socialist, Francis Bellamy, author of the USA's Pledge of Allegiance to the Flag. The American Nazi salute was often performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth about the government's past. American youth groups, Scouting, adopted Bellamy's American Nazi salute AND saluted swastika badges worn by fellow scouts. Many Americans were accustomed to Nazi salutes for swastikas long before German socialism adopted similar behavior under Hitler. That helps to explain another shocking revelation: swastikas were worn by American soldiers before Hitler did it. There are photos in the book. The military salute was the origin of Nazi salutes via the USA's flag pledge in government schools. Public officials in the USA who preceded the German socialist Hitler and the Italian socialist Mussolini were sources for the stiff armed salute and brainwashed chanting in those countries and other foreign countries, influencing the worst reprobates, including these other socialists: Joseph Stalin, Vladimir Lenin, Mao Zedong, Adolf Hitler, Pol Pot, Kim Il sung, Ho Chi Minh, Karl

Francis Hannah Cruz *Why Nazism Was Socialism and Why Socialism Is Totalitarian*. Dead Writers Club, Ian Tinny, Micky Barnetti, 2019-01-18. Nazism was socialism. Adolf Hitler self identified as Socialist. He did not self identify as Nazi nor as Fascist. The latter two words are used to cover up the fact that Hitler's group called themselves socialists. Modern socialists use the terms Nazi and Fascist to lie about what Hitler actually said. There was no Nazi Party. Hitler and his party touted Socialism by the very word in voluminous speeches and writings. He did not tout his dogma as Nazism or Fascism in his speeches and writings. He used the swastika symbol to represent crossed S letter shapes for his socialism. Soviet socialism joined German socialism to launch WWII invading Poland and going onward leading to genocide. In June 1938 Superman made his debut in Action Comics 1 which also featured his

romantic interest and Clark Kent's journalistic rival Lois Lane. In the decades since the intrepid reporter has become an iconic figure almost as recognizable as the Man of Steel himself, Lois has appeared in multiple adaptations from her own comic book to various films and television shows, and millions of women have seen and continue to see her as a role model. Examining Lois Lane: The Scoop on Superman's Sweetheart is the first anthology to explore the many incarnations of this empowering American icon. Chapters analyze the character of Lois Lane in various media through the perspectives of feminism, gender studies, cultural studies, and more. In some discussions she is compared to mythological heroines, while others explain her importance in popular culture. This wide-ranging collection looks at previously neglected aspects of Lois and offers new insights into the evolution of her character. Seventy-five years after Lois Lane's first appearance, this book creates a fascinating picture of the obstacles and decisions faced by her character, whose challenges and accomplishments often reflected those of women over the course of the past century. Examining Lois Lane will be of interest to students and scholars as well as those who grew up reading and watching the many manifestations of Superman's girlfriend.
