Kris Vallotton      **Evangelism and the Openness of God** Vaughn W. Baker, 2012-12-18 In *Evangelism and the Openness of God* Vaughn Baker argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology. Open theism affirms an ontology of love as opposed to power and it focuses on God's kenosis in creation allowing for the authentic freedom of creation influenced by divine persuasion. God's genuine temporal relationship with creation one that is open, synergistic and non-coercive provides a new perspective for evangelistic activity. In this volume the author has made a valuable contribution to the integration of new developments in theology and evangelism.

*Healthy and Free* Beni Johnson, 2015-11-17 Begin Your Journey to Spirit Soul Body Health Today Beni Johnson received a life-changing revelation about how anyone can start walking in holistic health including you. Jesus died for your spirit, soul and body. This means you can experience His resurrection life in all three areas. Christians should be the healthiest people on Earth.

**Reckless Christianity** Douglas Geivett, Holly Pivec, 2025-03-27 Bethel Church, California is one of the most popular and polarising churches in America. With its own Christian music label, reports of miraculous healings and the manifestation of a glittering Glory cloud, the congregation of Bethel Church is ever-growing. Bethel Church situates itself in the global movement of the New Apostolic Reformation, believing that present-day apostles and prophets must govern the church. Some praise the church for the clear manifestation of God's activity; others see the integration of controversial and hazardous practices into the church. In *Reckless Christianity*, Holly Pivec and R. Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement. Citing its charismatic senior leader, Bill Johnson, as promoting a reckless Christianity, Pivec and Geivett return to Scripture, the authoritative Word of God, to provide guidance on the boundaries of practice and where these boundaries are crossed. In its pursuit of experimentation, *Reckless Christianity* argues that the leaders of Bethel are pulling its followers into a dangerously speculative and experience-driven faith.
