

Super Star 4900B Service Manual

This is a on going project to document the Superstar 4900B. I started working on this manual Dec 2000. You can display and print it but publication on the web and commercial use are not allowed.

If you have test equipment and a 4900B or can help in technical writing and/or research and would like to help on this project go to the CBTricks Message Board and look for the Superstar documentation Discussion Group.
