But more than that, it is a collection of stories about the lessons learned from surfing. It presents 38 stories about those who have been influential in the sport surfing anytime anywhere and in any way. Surf Is Where You Find It Gerry Lopez, 2021-05-19 The saying goes: The second best thing about surfing is talking about it. Afterward, Gerry Lopez, one of the most revered surfers of all time, brings readers into the intimately personal sport with *Surf Is Where You Find It*, a collection of stories that recount harrowing waves, epic wipeouts, and heroes encountered over a lifetime on the water. From growing up in Hawaii in the 50s and 60s to finding the tube in the early days at Pipeline to pioneering legendary spots like Uluwatu and G Land in Indonesia, Lopez has traveled for surf the world over. But for him, the people stood out the most. Originally published in 2008, *Surf Is Where You Find It* preserves memories of surf eras gone by and commemorates those who helped shape the surfing world today. Now, ten years and more than 50,000 copies later, Patagonia is once again re-launching the surfing classic in a fully redesigned edition with new photos. Timed to correspond with the release of a new documentary about Gerry produced by equally legendary surfer and skateboarder Stacy Peralta, these 38 stories and hundreds of photos offer more of Gerry than ever before. In these pages, Gerry pays homage to those who shaped surfing today, surfing any time anywhere and in any way. Includes forewords by Rob Machado and *The Surfer's Journal* founder Steve Pezman.
