**Surprised by the Voice of God** Jack S. Deere, 2010-06-15 If You Believe Miraculous Gifts Have Ceased You're in for a Big Surprise What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In *Surprised by the Power of the Spirit* Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in a popular style with the care of a scholar but the passion of personal experience this book explores The real reason Christians do not believe in miraculous gifts Responding to Charismatic abuses Were miracles meant to be temporary Why God still heals Must reading for all Bible believing Christians I wish with all my heart I could place it in the hands of every conservative evangelical James Robison Life Outreach International [Surprised by the Voice of God](#) Jack Deere, 1996 Personal experiences and mature biblical teaching to help understand how the God of the Bible speaks to us today *Why I Am Still Surprised by the Voice of God* Jack S. Deere, 2022-10-04 Not only does God still speak to us apart from the Scriptures we should expect Him to This is the story of how Jack Deere learned to hear the voice of God in his life and how you can too Now a modern classic Jack wrote *Surprised by the Voice of God* over twenty five years ago Based on that first book *Why I Am Still Surprised by the Voice of God* has been entirely rewritten and includes additional thoughts and insights from a lifetime of hearing God speak Deere will guide you through the Bible to discover the variety of creative deeply personal ways God still communicates with us today You'll learn How God speaks with people apart from the Bible though never in contradiction to it The ways God revealed his thoughts to the men and women of the Bible Why God continues to speak to us today using the same methods Deere provides counsel and guidance for knowing how to accurately hear God speak through prophecies dreams visions and other forms of divine communication With candor sensitivity and a profound understanding of Scripture Deere identifies our hindrances to hearing the voice of God and calls us to a more intimate relationship with God Filled with fascinating stories and intimate personal accounts *Why I Am Still Surprised by the Voice of God* is for all who want to walk in friendship with God **Surprised by the Voice of God** Jack Deere, 1999
