## **Surviving The Dragon A Tibetan Lamas Account Of 40 Years Under Chinese Rule:**

, Tibet in Agony Jianglin Li, 2016-10-10 In 1959 the Dalai Lama emerged in India where he set up his government in exile Soon after he left Lhasa the Chinese People s Liberation Army pummeled the city in the Battle of Lhasa The Tibetans were forced to capitulate putting Mao in a position to impose Communist rule over Tibet Surviving the Dragon Lobsang Tubten Jigme Gyatso, 2010-03-02 Telling the remarkable life story of Rinpoche who was ordained as a reincarnate lama at the age of two and fled Tibet 46 years later Surviving the Dragon provides a rare window into a tumultuous period of Chinese history **China's India War** Bertil Lintner, 2018-01-25 The Sino Indian War of 1962 delivered a crushing defeat to India not only did the country suffer a loss of lives and a heavy blow to its pride the world began to see India as the provocateur of the war with China merely defending its territory This perception that China was largely the innocent victim of Nehru s hostile policies was put forth by journalist Neville Maxwell in his book India s China War which found readers in many opinion makers including Henry Kissinger and Richard Nixon For far too long Maxwell s narrative which sees India as the aggressor and China as the victim has held court Nearly 50 years after Maxwell s book Bertil Lintner s China s India War puts the border dispute into its rightful perspective Lintner argues that China began planning the war as early as 1959 and proposes that it was merely a small move in the larger strategic game that China was playing to become a world player one that it continues to play even today **Man of Peace** William Meyers, Robert A.F. Thurman, Michael G. Burbank, 2020-10-13 Why the life story of the Dalai Lama It is a story of one man taking on an empire calling for truth peace and justice for his Tibetan people Here in full color for the first time people can come to know the whole drama of his lifelong struggle Since the age of 15 the Dalai Lama has defended his people against one of the last great empires the People s Republic of China Under its dictatorship of the proletariat China began to invade Tibet in 1950 decimating and then continually oppressing its people Since colonialism cannot be practiced in our era of self determined nations China always maintains that the Tibetans are a type of Chinese using propaganda and military power to crush Tibet s unique culture and identity Yet the Dalai Lama resists by using only the weapon of truth along with resolute nonviolence even worrying some of his own people by seeking dialogue and reconciliation based on his more realistic vision The great 14th Dalai Lama of Tibet has become the first global Dalai Lama a prominent transnational leader of all who want to make the dramatic changes actually necessary for life on earth to thrive for centuries to come Considered the incarnation of the Buddhist savior Chenrezig or Avalokiteshvara archangel of universal compassion he is believed to appear in many forms at many different times whenever and wherever beings suffer Representing the plight of his beloved Tibetan people to the world he has also engaged with all people who suffer oppression and injustice as recognized in 1989 by his being awarded the Nobel Peace Prize Most importantly the Dalai Lama walks his talk throughout these pages as he has throughout his life and he radiates a powerful hope that we can and will prevail Man of Peace presents the inside story of his amazing life and vision in the high tension of the military occupation of Tibet and the

Goldstein, 1997 In this thoughtful analysis a distinguished professor presents a balanced historical view of the conflict among the Dalai Lama Tibet and China Illustrations Memories of Life in Lhasa Under Chinese Rule Tubten Khétsun, 2007-12-20 Born in 1941 Tubten Kh tsun is a nephew of the Gyatso Tashi Khendrung one of the senior government officials taken prisoner after the Tibetan peoples uprising of March 10 1959 Kh tsun himself was arrested while defending the Dalai Lama s summer palace and after four years in prisons and labor camps he spent close to two decades in Lhasa as a requisitioned laborer and class enemy In this eloquent autobiography Kh tsun describes what life was like during those troubled years His account is one of the most dispassionate detailed and readable firsthand descriptions yet published of Tibet under the Communist occupation Kh tsun talks of his prison experiences as well as the state of civil society following his release and he offers keenly observed accounts of well known events such as the launch of the Cultural Revolution as well as lesser known aspects of everyday life in occupied Lhasa Since Communist China continues to occupy Tibet the facts of this era remain obscure and few of those who lived through it have recorded their experiences at length Kh tsun s story will captivate any reader seeking a refreshingly human account of what occurred during the Maoists shockingly brutal regime *Tibet on Fire* Tsering Woeser, 2016-01-12 Since the 2008 uprising nearly one hundred and fifty Tibetan monks have self immolated in protest of the Chinese occupation of their lands Most have died from their wounds If Tibetans saw even a sliver of an opportunity to hold demonstrations then they would not resort to self immolation Woeser the dissident Tibetan poet has written in the New York Times The Tibetans she references includes herself a prominent voice of the Tibetan movement and one of the few Tibetan authors to write in Chinese Woeser has been placed under house arrest and lives under close surveillance Tibet On Fire is her account of the oppression Tibetans face and the ideals driving both the self immolators and other Tibetans like herself Angry and clear Tibet On Fire is a clarion call for the world to take action **Tears of Blood** Mary Craig, 2000-09-22 Since 1959 when China claimed power over this tiny mountain nation more than one million Tibetans are believed to have perished by starvation execution imprisonment and abortive uprisings Many thousands more including their spiritual and political leader the fourteenth Dalai Lama have been driven into exile The country has been systematically colonized so that indigenous inhabitants are now a second class minority Not only are Tibetans being squeezed out by Chinese settlers but there are reports of Tibetan women being forcibly sterilized and of healthy full term babies being killed at birth Thousands of Tibetans languish in prison and suffer appalling torture Rich mineral resources have been plundered and the delicate ecosystem devastated Buddhism the life blood of Tibet has been ruthlessly suppressed Mary Craig tells the story of Tibet with candor and power Based upon extensive research and interviews with large numbers of refugees now living in exile in India this book presents four decades of religious persecution environmental devastation and human atrocities that have caused Tibetans to weep tears of blood **The Dragon in the Land of Snows** Tsering Shakya, 1999 A history of modern Tibet discussing the efforts of Tibetan leaders to maintain the

country's independence in the face of increasing political pressures      The Autobiography of a Tibetan Monk Palden Gyatso, 2015-12-15 With this memoir by a simple monk who spent 33 years in prisons and labor camps for resisting the Chinese a rare Tibetan voice is heard The New York Times Book Review Palden Gyatso was born in a Tibetan village in 1933 and became an ordained Buddhist monk at eighteen just as Tibet was in the midst of political upheaval When Communist China invaded Tibet in 1950 it embarked on a program of reform that would eventually affect all of Tibet's citizens and nearly decimate its ancient culture In 1967 the Chinese destroyed monasteries across Tibet and forced thousands of monks into labor camps and prisons Gyatso spent the next twenty five years of his life enduring interrogation and torture simply for the strength of his beliefs Palden Gyatso's story bears witness to the resilience of the human spirit and to the strength of Tibet's proud civilization faced with cultural genocide To readers of this memoir however untraveled Tibet will never again seem remote or unfamiliar Gyatso reminds us that the language of suffering is universal Library Journal Has the ring of undeniable truth Palden Gyatso's clear sighted eloquence in Tsering Shakya's fluent translation makes his tale even more engrossing San Francisco Chronicle      **In the Presence of My Enemies** Sumner Carnahan, Rinpoche Lama Kunga, 1998-03 Simply and without bitterness Shuguba tells his story he speaks of the Chinese invasion and Tibetan military resistance against overwhelming odds the bombings executions and massacres the deaths of his wife and daughter and his own trial and nineteen year imprisonment Shuguba who was the last surviving high official from the 14th Dalai Lama's original government reveals information that was concealed from the outside world for over three decades His recollections of his earlier life offer intimate views of a unique traditional society that is now all but extinct After his release in 1978 Shuguba was brought to the United States where he died in 1991 at the age of 87 This moving personal account is based on Shuguba's autobiography supplemented by many hours of interviews conducted by writer Sumner Carnahan and translated by Lama Kunga Rinpoche a Tibetan high lama who is one of Shuguba's sons The book includes rare photos of Shuguba's family and associates as well as views of monasteries and other Tibetan cultural treasures that have since been destroyed The Tibetan catastrophe the brutal ongoing campaign to stamp out every trace of Tibetan identity culture and civilisation continues unchecked after more than 35 years      Wrestling the Dragon Gaby Naher, 2004-01-01 When a 14 year old Tibetan refugee escaped from Tibet across the Himalayas to India in January 2000 China lost its best hope of one day controlling the Tibetan people The boy was the 17th Karmapa Ogyen Trinley Dorje already a major religious figure and the only incarnate lama to be recognised by both the Dalai Lama and the secular People's Republic of China Instead of gaining freedom this young spiritual leader of an ancient line of Tibetan Buddhism became embroiled in Sino Indian politics and the victim of a controversy that still rages today In India he is a prisoner in all but name living in a few rooms atop a deserted monastery in Northern India a leader in waiting Full of intrigue portent and miracle as well as claims and counterclaims WRESTLING WITH THE DRAGON might seem like a colourful fiction except that the story is true and being played out against a highly sensitive spiritual and

political background In this gripping narrative Gaby Naher artfully interweaves the story of this Tibetan leader in waiting and that of his country with her own political and spiritual journey that takes her to the young lama s throne
