## **Surviving Middle School A Practical Guide For Parents:**

**Surviving Middle School** Ellen Fellenz,2012-07-01 A fellow educator once told me that her goal was to help students thrive not just survive The goal of this book is to help parents do the same while their children are in middle school Middle school offers many challenges for families Here you will find practical easy to implement solutions to these challenges as well as tools to keep the connection with your child during these years Preserving your relationship with your child is not only important to make it through the middle school years but essential to being an effective parent during the next stage of adolescence Teenagers This book was written to help you retain your sanity and sense of humor while persevering through these often challenging times as a parent Parenting is not an easy job So many parents have said to me If they my kids only came with a book Well here is the book that should have come with your kids and will help your whole family get through the tough middle school years

**Help! My Child Is Starting Middle School!** Jerry Parks,2007-08 The transition from elementary to middle school can be a scary time for both students and their parents Dr Parks s book is real life advice from a master teacher that will address most of your concerns Tommy Hurt Principal Georgetown Middle School Georgetown KY An excellent handbook which parents of every new middle schooler should read and reread with their son or daughter as they begin these formative and impressionable years of middle school Herein are the keys to success Dr Dallas Blankenship Superintendent Scott Co Public Schools Parents are seldom if ever prepared for the enormous changes their child faces entering middle school The sheltered structured and nurturing environment that is elementary school gives way to the fast paced organized chaos of middle school Students often feel more thrown into rather than eased into the middle school world and parents of first time middle schoolers often feel more lost than their children The sixth grade is the time when Mom and Dad start to feel they are losing their little one forever and in a very real sense they are Help My Child is Starting Middle School is merely an effort to help parents and their children get off to a successful start in middle school Although primarily written for parents portions of the book can be read and used by middle schoolers themselves At the end of each chapter are presented numerous real world middle school situations which may very well occur As these are read parents should consider how they might address the situations and then discuss with their child their thoughts and how they might deal with alternatives In discussing these together both parent and middle schooler will be better prepared for what s coming in middle school
