Suspension Parts Interchange Manual:

Oldsmobile Auto Parts Interchange Manual 1935-1952 F. D. Harper, 2012-02-20 The part interchange manual can be used to look up NOS part numbers. It includes approximately 3000 parts descriptions with factory part numbers by make model and year for Oldsmobile Pontiac Chevrolet and Buick parts by year make and model that are interchangeable. For example you can also determine if different years of Pontiac used the same part or as a parts manual for your car. Covers engine parts body parts electrical parts suspension parts clutches transmission rear ends steering and more. There are even some parts listed for the early 1930's. For convenience the parts are listed in sequence by group number Model application or interchangeable parts for each car line is shown under the respective columns. Anyone looking for or selling parts attending swap meets or restoring an antique auto will be able to put this information to good use. **Pontiac Auto Parts**

Interchange Manual 1950-1965 F. D. Harper, 2012-02-03 This Pontiac parts interchange manual has been designed to help you in the purchase and identification of original equipment parts. It will save many hours of time locating the parts you need. With this manual you will know exactly what parts from which GM vehicles are identical. There may be no need to pay a high price for a supposedly rare part when it may be identical to many other vehicles parts. Many parts interchange between different years makes and models. For example a part from a 53 Pontiac may be the same as for a 55 Cadillac or a part from a 65 Chevy Impala may be the same as a part for 64 Buick. This manual may not only save you money it could be a great reference source for your restoration project. It includes a model identification chart engine identification information serial number charts original factory part numbers for certain parts it includes casting numbers and more. The manual is broken down by the major groups listed below and each of these groups is further broken down into specific parts. For example under the body group it lists everything from bumpers to window regulators. Below are the groups and a sample of what is included in each group.
