Susquehanna A Second Tale Of Bestimmung Company Tales Of B Company Book :

The Publishers Weekly , **Tales of B-Company** Chris Pourteau,2015-07 In Michael Bunker s Pennsylvania Omnibus Jedidiah Troyer becomes the hero of TRACE s fight against the Transport Authority But even before Jed s adventure begins the Second War for Pennsylvanian Independence has raged for a generation Originally published as separate stories Tales of B Company The Complete Collection captures the struggle tragedy and heroism of a company of TRACE commandos as they wage war for the freedom of New Pennsylvania In this collection fans of Bunker s novel will discover cameos by some of his most beloved characters as well as a new appreciation for the struggle of TRACE against Transport Gelassenheit tells the origin story of a fan favorite character in the B Company tales recalling the conflict established in The Pennsylvania Omnibus as an Amish family tries to maintain its cultural identity under a despotic Transport Authority In Gettysburg the commandos of B Company fight to secure much needed okcillum the miracle mineral and power source of Transport s dominion over its citizens to even the odds in their rebellion against the Authority Susquehanna finds our heroes desperate to secure TRACE s vital food supply from the Amish Zone and circumstances force them to make an uncomfortable alliance with The Wild Ones the salvager homesteaders of New Pennsylvania And in Columbia an unsanctioned raid to free the captured QB B Company s beloved captain becomes a race against time when Transport sets a ticking time bomb to destroy the City In Tales of B Company heroes fight and heroes fall Loyalties are tested and friendships forged And TRACE wages bloody battle to win freedom for an entire planet _____ Chris has populated the now more tactile and detailed Pennsylvania world with unforgettable characters who live and breathe and leap from the page characters for whom I began to care more deeply the more I read about them what Chris has produced here is on par with or better than my original Pennsylvania story And it should be read as an expression of Chris Pourteau s own original and fantastic art a piece of literature in its own right I think it s that good and I bet you will too Michael Bunker author of The Pennsylvania Omnibus and Brother Frankenstein Pourteau handles Military SciFi with a deft literary gift for both the regular and the heroic that reminds the reader of Bernard Cornwell Brilliant in scope nuanced in execution Read this and enjoy Nick Cole author of The Wasteland Saga Soda Pop Soldier and Apocalypse Weird The Red King Chris Pourteau just gets better and better writing in this world Crisp and engaging his words bring you into the action and tension of the Pennsylvania universe with immediacy and drama The B Company stories are great military tales but are also stories of humanity and relationships torn in the midst of the ongoing conflict between the Transport Authority TRACE and the rest of the population of New Pennsylvania AnneHope Amazon reviewer 5 star review of Columbia A Third Tale of Bestimmung Company **The Pioneers** James Fenimore Cooper,1979
