Susurros De Esperanza:

Susurros de esperanza Beth Moore, 2015-03-15 Mediante este libro fascinante y práctico Beth Moore te enseña su método personal para orar y llevar un diario cada día. La Escritura nos insta a orar sin cesar pero cómo podemos hacerlo. Es más, ¿acaso sabemos cómo orar? Por dónde empezamos? Beth Moore, autora de best sellers, aborda estas cuestiones prácticas y recurrentes en *Susurros de esperanza* acompañando a los lectores a través de un método fácil de recordar y aplicar junto con 70 devocionales diarios seguidos de pautas para poner en práctica este método de oración. *Susurros de esperanza* presenta el método personal de oración de Beth Moore. Scripture tells us to pray without ceasing but how in the world do we do that? In fact, do we even know how to pray? Where do we start? Best-selling author Beth Moore addresses these practical and pervasive matters in *Whispers of Hope* by walking readers through an easy-to-remember and apply method of prayer coupled with seventy daily devotionals and followed by prompts to put this prayer method into practice. *Whispers of Hope* teaches the manifestation process of powerful word-saturated prayer in response to a daily Bible reading. In turn, you will better understand how devotional reading and prayer are central to a stronger relationship with God. Rare content from Beth Moore now being released to the trade market for the first time. *Whispers of Hope* presents Beth's personal method of prayer.
