**The Lost Jesus Scroll** Elizabeth MacDonald Burrows,2007-11-01 The Lost Jesus Scroll is one of the most remarkable discoveries of the last century The text defines a path by which every human can raise his or her Divine Nature from the limitations of mortality Christian *Secret Scrolls* Robert M. Price,2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven't bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one's religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls

Jacobs,2023-11-30 What if the original teachings of Jesus were different from the Bible s sanitized orthodox version What covert motivations might inspire those who decide what the text of the Bible says or what it means For some who ask conspiratorial questions like these the Bible is the vulnerable victim of secular forces seeking to divest the USA of its founding identity For others the biblical canon suppresses religious truths that could upend the status quo Such suspicions surrounding the Bible find full expression in Gospel Thrillers a 1960s fictional genre that endures and still commands a substantial following These novels imagine a freshly discovered first century gospel and a race against time to unlock its buried secrets They also reflect the fears and desires that the Bible continues to generate Andrew Jacobs reveals in his authoritative examination how this remarkable fictional archive opens a window onto disturbing biblical anxieties      Secrets of the Dead Sea Scrolls Randall Price,1996 Discover new technology that helps translators with previously unreadable Scroll fragments supposedly secret scrolls in hiding and the furious debate about who rightfully owns the Scrolls Includes never before published photographs      *Catalogue of Manuscripts and Early Printed Books from the Libraries of William Morris, Richard Bennett, Bertram, Fourth Earl of Ashburnam, and Other Sources* ,1906      **Catalogue of Manuscripts and Early Printed Books** John Pierpont Morgan,1906      *The Aquarian Gospel of Jesus the Christ* Levi,1911      **Jesus and the Dead Sea Scrolls** James H. Charlesworth,1992 Jesus and the Dead Sea Scrolls gets to the heart of the matter of why these documents are so important Simply they give us unprecedented and unparalleled insight into the times in which Jesus lived and remain among the few surviving original documents written by the hands of Jesus contemporaries This detailed investigation provides us with useful insight into and much needed clarification of Jesus life and teachings as they begin to emerge from the shadows of history Jacket      *The Dead Sea Scrolls* Donald W. Parry,Stephen David Ricks,2000 Since their initial discovery in 1947 the ancient scrolls found in caves near the Dead Sea have stirred public curiosity For Latter day Saints whose scriptural tradition speaks of sacred records to come forth in the last days the Dead Sea Scrolls naturally give rise to questions such as Are there references to Christ or Christianity in the scrolls Do the scrolls contain scripture missing from the Bible Is the plan of salvation attested in the scrolls Do the scrolls refer to Joseph Smith or other latter day figures

The Dead Sea Scrolls Questions and Responses for Latter day Saints succinctly deals with these and other questions on topics of particular interest to LDS readers These topics are based on actual questions that Latter day Saints have asked the authors as they have taught classes at Brigham Young University shared their research at professional symposia and spoken in other settings     Juma and the Mystery of the Copper Scroll Mary Fortier Shea,2005-10 A young Bedouin who discovers the existence of the oldest biblical manuscripts in caves near his native village of Wadi Qumram northwest in the Judean desert They have come to be known as the Dead Sea Scrolls This is a tale of archeological sins academic megalomania political intrigue and murder     **The Copper Scroll Decoded** Robert Feather,1999 In his research of the Copper Scroll Robert Feather has made two interlinked discoveries t firstly the location of the treasure that is referred to in the Scroll not only the silver gold and jewellery that is already in museums but also the exact sites at which the remaining items lie buried This news will cause excitement amongst archaeologists throughout the world In 1959 1960 John Allegro of Manchester University led unsuccesful trips to find the treasure His translation of the Scroll had been based on some misconceptions that Robert Feather has now been able to identify     **Understanding the Dead Sea Scrolls** Hershel Shanks,1993 Articles by leading scholars discuss the discovery of the Dead Sea scrolls their significance for understanding early Christianity and rabbinic Judaism and the recent controversy regarding access to the scrolls     The Morning Tree Austin Reams,2006     The Christ of Yesterday, To-day, and Forever, and Other Sermons Ezra Hoyt Byington,1897     *The Teaching of Jesus in Parables* George Henry Hubbard,1907     *International Sunday School Evangel* ,1903
