The Linnet Bird A Novel:

The Linnet Bird Linda Holeman, 2005-05-17 For you I will write of it all part truth part memory part nightmare my life the one that started so long ago in a place so far from here India 1839 Linny Ingram the respectable young wife of a British colonial officer settles down to write her life story In the claustrophobic mannered world of British India Linny seems the perfect society wife pretty gracious subservient But appearances can be deceptive Linny Ingram was born Linny Gow an orphan raised in the cold gray slums of Liverpool Sold into prostitution by her stepfather when she was only eleven Linny is a born survivor and an accomplished chameleon and manipulator Through a stroke of luck and considerable scheming she manages to re create herself as a proper Victorian young lady middle class and seemingly respectable By befriending a merchant's daughter Linny secures a place with her new companion on a ship bound for India where they will join the fishing fleet young women of good birth but no fortune who sail to India in search of a husband India with its exotic colors sights and smells is a world away from the cold back alleys of Linny's childhood But even there she is haunted by her past and by the constant threat of discovery To secure her place in society she marries Somers Ingram a wealthy British officer with secrets of his own Soon Linny discovers that respectability and marriage bring a new kind of imprisonment as well as the same menace and violence that she thought she had escaped But Linny is not about to surrender easily In the lush tropics of India she finds not only the means for rebellion but also the love and freedom she never had in England We had been at sea almost four months Swallows swooped near the railings indicating land nearby Mrs Cavendish likened these busy twittering creatures to the dove with its olive branch She was right and within another day villages were spotted along the coast The water became noisy with dozens of tiny rocking boatloads of Indians Bumboat men Mrs Cavendish called them shouting to be heard over the cries of the villagers as they boasted of their merchandise hoping to sell coconuts bananas or tamarinds I hung over the railing watching as the natives threw ropes with baskets attached over the ship's side Some of the crew called down to them in a strange tongue that I couldn't identify putting coins into the baskets The baskets were lowered and then came up again filled with whatever the sailors had requested I longed to try the strange looking fruit but Mrs Cavendish with a slight shake of her head indicated that it would be beneath us to purchase anything in this way During the last few days as we grew ever closer to our destination excitement grew in me At first I attributed it to the beauty of the water and sun the flying fish sending little droplets of water onto the smooth sea but then realized it was something else I detected a difference in the atmosphere and whether it was the air itself or the degree of heat I couldn't say Perhaps the smells carried in the wind contributed to the unexplained breathlessness I experienced My nose filled with the strange smells of an unfamiliar populace the scents of unknown vegetation I felt as heady as I had when twirled in my first quadrille from **The Linnet Bird** **The Lost Souls of Angelkov** Linda Holeman, 2012-07-03 From one of Canada's finest historical novelists an intricately woven story of revenge deception love and redemption set against the turbulent social upheavals of 1860s Russia For Antonina the

wife of a wealthy Russian landowner the world falls apart one cold spring afternoon when her husband takes her little boy Misha out riding Set upon by kidnappers on horseback the boy is stolen and the count wounded Beautiful musical and sheltered Antonina is at first stunned and grief stricken then helpless as the count sickens and dies Desperate and surrounded by serfs and servants unsettled by the collapse of the old order Antonina turns to Grisha the estate steward for help in getting her son back He is a man of relentless competence and ambition and she is drawn to his strength unaware that he is both driven and crippled by secrets he hoped he d left behind him in the land of his birth Siberia In her search for her lost boy Antonina faces betrayals that are literally murderous and finds strengths she had no idea she possessed as she wanders the crumbling halls of Angelkov pitting her wits against people turned erratic and cruel In the end her fate and the fate of her son hangs on the way love can sometimes transform even the deepest of hatreds *The British Bird Book*
