**Stoneheart Valley - Swords & Wizardry** Bill Webb, Clark Peterson, 2018-05 And at long last here is where it all began in the Stoneheart Valley near the town of Fairhill This mini campaign was originally presented to the fans of Necromancer Games in three separate modules The Wizard's Amulet The Crucible of Freya and The Tomb of Abysthor **Stone Heart** Peter J Merrigan, 2018-07-16 Ireland 279 BC A nation at war For two boys it will be gruelling For Ireland it will be bloody When the first raiding skirmishes of a foreign army are crushed and Ireland mourns her dead one king knows their newfound peace is destined to fail As Overking of Ailigh Keeper of the North he calls for the boys of his Celtic tribes to train as formidable warriors under his command For ed it begins as a fantastical quest For R n n it helps him escape a cruel chieftain Together they must train and grow in strength and might And when the invading army returns a nation goes to war united under one banner Meanwhile ed's sister begins her training as a druid learning the spiritual ways of the earth And when the goddess C er speaks to her in her dreams she knows that Ireland's future hangs in the balance With ed skilled in close combat and R n n blessed with an archer's eye they fight side by side champions of the Celts But death is close And the tides of war are forever in flux The Irish Celts know one thing if the warmongering foreigners aren't defeated not even the druids can change the course of destiny *Under the Watchful Eye* James Deahl, 1995 Hermead: Philosophers Surazeus Astarius, 2019-07-16 Hermead of Surazeus is an epic poem about the development of philosophy over 600 years in the lives and ideas of 26 of the greatest philosophers who contributed to the growth of civilization This single volume edition presents in 126 680 lines of pentameter blank verse the tales of Hermes Prometheus Kadmos Asklepios Zethos Hesiodos Thales Anaximandros Pythagoras Herakleitos Parmenides Anaxagoras Empedokles Leukippos Philolaos Demokritos Aristokles Platon Aristoteles Demetrios Phalereus Epikouros Arkhimedes Ktesibios Eratosthenes Krates Hipparkhos Philodemos and Lucretius

**People of the River** Grace Karskens, 2020-09-01 A landmark history of Australia's first successful settler farming area which was on the Hawkesbury Nepean River Award winning historian Grace Karskens uncovers the everyday lives of ordinary people in the early colony both Aboriginal and British Winner of the Prime Minister's Award for Australian History 2021 Winner of the NSW Premier's Australian History Prize 2021 Co winner of the Ernest Scott Prize for History 2021 A masterpiece of historical writing that takes your breath away Tom Griffiths A majestic book John Maynard Shimmering prose Tiffany Shellam Dyarubbin the Hawkesbury Nepean River is where the two early Australias ancient and modern first collided People of the River journeys into the lost worlds of the Aboriginal people and the settlers of Dyarubbin both complex worlds with ancient roots The settlers who took land on the river from the mid 1790s were there because of an extraordinary experiment devised half a world away Modern Australia was not founded as a gaol as we usually suppose but as a colony Britain's felons transported to the other side of the world were meant to become settlers in the new colony They made history

on the river it was the first successful white farming frontier a community that nurtured the earliest expressions of patriotism and it became the last bastion of eighteenth century ways of life The Aboriginal people had occupied Dyarubbin for at least 50 000 years Their history culture and spirituality were inseparable from this river Country Colonisation kicked off a slow and cumulative process of violence theft of Aboriginal children and ongoing annexation of the river lands Yet despite that sorry history Dyarubbin s Aboriginal people managed to remain on their Country and they still live on the river today The Hawkesbury Nepean was the seedbed for settler expansion and invasion of Aboriginal lands to the north south and west It was the crucible of the colony and the nation that followed

**Writing in Dust** Jenny Kerber,2011-03-17 Writing in Dust is the first sustained study of prairie Canadian literature from an ecocritical perspective Drawing on recent scholarship in environmental theory and criticism Jenny Kerber considers the ways in which prairie writers have negotiated processes of ecological and cultural change in the region from the early twentieth century to the present The book begins by proposing that current environmental problems in the prairie region can be understood by examining the longstanding tendency to describe its diverse terrain in dualistic terms either as an idyllic natural space or as an irredeemable wasteland It inquires into the sources of stories that naturalize ecological prosperity and hardship and investigates how such narratives have been deployed from the period of colonial settlement to the present It then considers the ways in which works by both canonical and more recent writers ranging from Robert Stead W O Mitchell and Margaret Laurence to Tim Lilburn Louise Halfe and Thomas King consistently challenge these dualistic landscape myths proposing alternatives for the development of more ecologically just and sustainable relationships among people and between humans and their physical environments Writing in Dust asserts that reading environmentally can help us to better understand a host of issues facing prairie inhabitants today including the environmental impacts of industrial agriculture resource extraction climate change shifting urban rural demographics the significance of Indigenous understandings of human nature relationships and the complex often contradictory meanings of eco cultural metaphors of alien invasiveness hybridity and wildness
