Buck Williams and Tsion Ben Judah Plus see why Viv Ivins plays such a pivotal role in Nicolae Carpathia's life. What were the events surrounding Nicolae's sudden rise to power? How did he become filled with evil? You will find all these answers and more in this exciting new series. In *The Rising*, Marilena Carpathia has only one dream: to be a mother. So when a mysterious clairvoyant promises the fulfillment of this dream, Marilena does not hesitate. Through genetic engineering and the power of the prince of darkness himself, Marilena is about to become a chosen vessel, one who will unknowingly give birth to the greatest evil the world has ever known. Halfway around the world, God's plans are subtly being carried out. Too young, Ray Steele is determined to avoid one day taking over the family business. Instead, Ray sets his heart on becoming a pilot. Soon, Carpathia's and Steele's lives will intersect. And good and evil will clash in an explosion that will shake the world. The eternal battle for souls has come to earth. The world hurtles toward the countdown to the Rapture. 2 *The Regime*. Dynamic Romanian multimillionaire Nicolae Carpathia's sphere of influence steadily grows as he parlays his looks, charm, charisma, and intellectual brilliance into success in business and politics. But is it mere coincidence that those who oppose or offend him suffer to the point of death? Meanwhile, a young Buck Williams begins his journalistic career. Pilot Rayford Steele gains more responsibility at work and at home. Scientist Chaim Rosenzweig begins work on a secret formula that could change the world. All three go about their daily lives unaware of each other or of the powerful young man from Romania. Around the world, the stage is being set for the cataclysmic event that will change the world forever. 3 *The Rapture*. In this, the final prequel to the blockbuster series, the story features the Rapture three quarters of the way through the book and then follows characters such as Irene and Raymie and others up to heaven, where they are able to see events in the Tribulation from heaven's perspective. The story alternates between events on earth immediately after the Rapture, covering lots of things the authors wished they could have covered in the original volumes, and characters in heaven and how they view the chaotic events on earth.

*The Girl He Left Behind Him. A Novel* Richard Mounteney Jephson, 1877      **Little Girl Left Behind** Sheena Harrison, 2012-09-13

From the age of three, Sheena Harrison was brought up by her grandmother whilst her own mother, Kathleen, sought work in America. Kathleen later returned for her daughter, but her mother refused to hand her over, saying Sheena had settled into her new home. She left once more for the States, believing that Sheena would be loved, cared for, and kept safe. What she did not know was that Granny Morag would go on to allow, indeed facilitate, the horrific abuse of little Sheena. From the age of four, she was appallingly abused by members of her own family, being little more than a plaything for their perverted desires. Her uncle and others saw abuse as normal, and they raped and assaulted her with impunity. As she entered her teenage years, Sheena became highly promiscuous and also needed medical attention for some of the damage inflicted upon her. In this book, Sheena tells her full story with heart-breaking honesty. It is a story of cruelty and horror, but also one which shows the remarkable resilience of the human spirit. Sheena's experiences are almost unimaginable, and yet she has survived them as a reflective, caring woman who can both forgive and look ahead. It is a story which will make you

angry but will also touch your heart      **No Woman Left Behind** Kate Grant, 2025-06-24 INSPIRATION FOR HOW TO CREATE A LIFE OF PURPOSE NO WOMAN LEFT BEHIND IS THE UNLIKELY STORY OF HOW ONE WOMAN LEAVES MADISON AVENUE AND TACKLES THE GLOBAL MATERNAL HEALTH CRISIS HEAD ON The day a woman gives birth is also the day she is most likely to die or suffer severe injury a sobering reality that comes into sharp focus when Kate Grant visits the Addis Ababa Fistula Hospital in Ethiopia's capital There she sees row after row of beds occupied by young women afflicted with obstetric fistula a childbirth injury that leaves them incontinent and too often shunned by their communities modern day lepers She soon learns that surgery is the only way to end their suffering In *No Woman Left Behind* Grant recounts her decision to abandon a promising advertising career and the ups and downs of building Silicon Valley based Fistula Foundation from a modest start up into the global leader in fistula treatment Through vivid firsthand accounts of surgeons toiling in remote corners of Africa and Asia we see inside the fight to restore hope to some of the world's most vulnerable women A compassionate army of donors spanning nearly seventy countries makes such life changing care possible Grant demonstrates the profound power of individual action to change lives at scale since Fistula Foundation takes no government money *No Woman Left Behind* is a compelling personal journey and a how to guide for anyone looking to make a lasting difference in the lives of others 100% of the author's net proceeds from *No Woman Left Behind* will go to Fistula Foundation's Love a Sister program to fund free surgeries for women with childbirth injuries      **Three Recruits and the Girls They Left Behind Them** Joseph Hatton, 1880      *No Scrap Left Behind* Teralyn Pilgrim, 2024-09-17 The story of a mother's quest to end her family's food waste and all the blunders that came with it Teralyn Pilgrim had no idea the environmental and economic impact of food waste or that she could save 100 a month by being waste free But when a story of hungry children fills her with unbearable guilt she decided to make a change to the way her family approached mealtime Despite finicky kids and a skeptical husband Pilgrim turned her feelings of guilt into action and created a zero food waste kitchen Pilgrim began her journey by defining food waste with Rule 1 the Hungry Kid Test would you throw something edible away with a hungry child watching If the answer is yes it can go in the compost If the answer is no then it's time to get creative Narrating her trials and errors emphasis on errors Pilgrim invites readers to her table where leftover food is a personal challenge to reduce waste save money and guard against squandering natural resources Things get tricky when she discovers a five year old fish in her freezer accidentally buys the grossest fat free cookies in the world and finds her dog is as picky as the kids Addressing myths about how being waste free is too hard it's not and whether expiration dates mean anything they don't Pilgrim teaches readers clever ways to be resourceful while also offering a broader look at why food waste matters and the global effects of this massive problem Both a resource for families and a call for worldwide change *No Scrap Left Behind* offers nine step program and hundreds of food related tips to help readers find their own way to sustainable living trim the grocery bill and effect change starting in their own kitchens      **No Buddy Left Behind** Terri
