## **When Knights Were Bold Yesterdays Classics:**

**When Knights Were Bold** Eva March Tappan, 2005-11 Spirited and interesting picture of life in castles and manors monasteries and towns during the Middle Ages The description of the customs of knights is especially full Chapter titles include Page Squire and Knight The Knight s Arms and Armor Jousts and Tournaments How to Capture a Castle Daily Life in a Castle Life on a Manor Pilgrimages and Crusades Military Orders Monks and Monasteries Hermits Friars and Missionaries Life in Town Merchant Gilds and Craft Gilds How Goods Were Sold Schools and Literature Science and Medicine and Architecture and the Arts      **Proceedings of the ... Annual Sessions of the Texas Bar Association** Texas Bar Association, 1927      *The Independent* William Livingston, 1907      The Independent Leonard Bacon, Joseph Parrish Thompson, Richard Salter Storrs, Joshua Leavitt, Henry Ward Beecher, Theodore Tilton, Henry Chandler Bowen, William Hayes Ward, Hamilton Holt, Fabian Franklin, Harold de Wolf Fuller, Christian Archibald Herter, 1907      Classic Literature of England, 1854      *When Knights Were Bold* Eva March Tappan, 2020-09-28 IT must have been a sight well worth seeing when a knight mounted his horse and galloped away from a castle Of course his armor was polished and shining and as Lowell says of Sir Launfal he made morn through the darksome gate The children of the castle especially must have watched him with the greatest interest The girls looked wistfully at the scarf or glove on his helmet each one hoping that he who would some day wear her colors would be the bravest man that ever drew a sword As for the boys they could hardly wait for the day to come when they too could don glittering armor and sally forth into the world in quest of adventures Even the youngest of these children knew that a boy must pass through long years of training before he could become a knight This began when he was a small child perhaps not more than seven years old It was not the custom for the son of a noble to be brought up in the home of his father He was sent for his education and training to the castle of some lord of higher rank or greater reputation sometimes to the court of the king He was taught to look with the utmost respect upon the man who trained him to be a knight to reverence him as a father and to behave toward him with humility and meekness Even if the time ever came when they were fighting on opposite sides the foster son must never harm the man whose castle had been his home In those days of warfare and bloodshed the king himself might well be glad to have as devoted supporters and friends a band of young men who had been carefully trained in the practice of arms It is no wonder that kings and nobles looked upon it as a privilege to receive these boys into their castles Indeed when their fathers were inclined to keep them at home the king sometimes demanded that they be sent to him The boys of the days of knighthood were not so very different from those of to day and many of their amusements were the same as now They had various games of ball they played marbles they sawed and walked on stilts much as if they belonged to the twentieth century Of course they played at being knights just as boys to day play at being merchants or manufacturers There is an old picture of some pages as these boys were called playing that two toy knights mounted on wooden horses are having a contest The two horses are pushed toward each other and if either

knight is struck by the spear of the other and thrust out of his place he is vanquished      **The Bystander** ,1908      The Classic Collection of William Morris. Novels. Stories. Poetry.
