For revenge Jonathan forces Brooke to make an impossible choice between her daughter and her beloved bakery. How can she ever be happy if she has to abandon what's most important in her life?

History of Central New York Harry R. Malone, 1932     Romeo Spikes Joanne Reay, 2012-08-14 Working the Homicide squad Alexis Bianco believes she's seen every way a life can be taken. Then she meets the mysterious Lola and finds out she's wrong. More weapon than woman Lola pursues a predator with a method of murder like no other. The Tormenta. If you think you've never encountered Tormenta think again. You're friends with one. Have worked for one. Maybe even fallen in love with one. They walk amongst us looking like us talking like us. Coercing our subconscious with their actions. Like the long legged beauty who seduces the goofy geek only to break his heart causing him to break his own neck in a noose. Or the rock star whose every song celebrates self harm inspiring his devoted fans to press knives to their own throats. The pusher who urges the addict toward one more hit bringing him a high from which he'll never come down. The tyrannical boss crushing an assistant's spirit until a bridge jump brings her low. We call it a suicide. Tormenta call it a score. Their demonic powers allowing them to siphon off the unspent life span of those who harm themselves. To Bianco being a cop is about right and wrong. Working with Lola is about this world and the next and maybe the one after that. Because everything is about to change. The coming of a mighty Tormenta is prophesied a dark messiah known as the Mosca. To stop him Bianco and Lola must fight their way through a cryptic web of secret societies and powerful legends and crack an ancient code that holds the only answer to the Mosca's defeat. If this miscreant rises before they can unmask him darkness will reign and mankind will fall in a storm of suicides. Nobody's safe. Everyone's a threat. TORMENTA THE FACTS. Walking amongst us looking sounding and acting just like us is a type of demon called Tormenta. And as demons go they are particularly fiendish. A hand locked hard around her neck and the muzzle of her own Magnum impossibly pulled from its holster twitched an inch from her chin. Do I have your attention Detective Alexis Bianco found herself staring at a swath of cropped blond hair the only feature of her assailant visible in the darkness. She mustered a nod. Then listen good Lola's voice was no more than a whisper but it seemed twisted tight sinking like a needle into her ear. Humans are born with a predetermined life span an allotted number of years to live. Some consume their spans and pass away. Some have their spans prematurely snatched from them by murder or mishap. But some surrender their lives by choice. Humans call it suicide. Tormenta call it opportunity. From their method

comes their name They torment their human prey into giving up their lives Bianco swallowed attempted to speak but no words came She licked her lips easing a path and tried again You you say these Tormenta walk amongst us in plain sight They are everywhere I ve never seen one Weren t you listening     Getting Lucky Number Seven Cindi Madsen,2015-04-28 Lyla Wilder is done being the shy chemistry nerd extraordinaire While every other college student is out having fun Lyla is studying With her cat Well she s played it safe quite enough thank you So she creates a College Bucket List with item number seven being a night of uninhibited mind blowing sex Now she just needs some help from her best friend Hockey player Beck Davenport thought Lyla s transformation would be subtle Man was he wrong With every item she ticks off Beck finds himself growing seriously hot for his sweet brainiac best friend And if he s not careful he ll end up risking their friendship in order to convince Lyla that he might just be her lucky number seven Each book in the Taking Shots series is STANDALONE Getting Lucky Number Seven Anatomy of a Player Crazy Pucking Love Confessions of a Former Puck Bunny     Two Maryland Girls Amy Ella Blanchard,1903     **Kissing Games** Stefanie London,2022-03-21 The effervescent quirky romantic comedy from USA Today bestselling author Stefanie London Injured pro baseball player Ryan Bower has plenty of reasons for not sleeping But thanks to a steamy romance novel that s ignited the imaginations and libidos of pretty much everyone in Kissing Creek Ryan s kept awake by the sound of his parents Having sex Unforgivably gross And Ryan is almost certain that the town s adorably quirky and troublemaking librarian is responsible Sloane Rickman adores everything about her little town with the exception of its very tall and infuriatingly sexy Golden Boy Ryan Bower may be a ball playing hottie but where exactly does he get off telling her what books to recommend to her oddball little book club Good thing he s only in town for the fall Now Sloane and Ryan are stuck planning the main float for the town s parade But somewhere between arguments over paint colors and papier m ch flowers their fights keep turning into red hot kisses And between Ryan s demanding ball career and Sloane s life in Kissing Creek they face the biggest game of their lives if they re ready to play for keeps     **Apples and Ashes** Coleman Hutchison,2012-03-01 Apples and Ashes offers the first literary history of the Civil War South The product of extensive archival research it tells an expansive story about a nation struggling to write itself into existence Confederate literature was in intimate conversation with other contemporary literary cultures especially those of the United States and Britain Thus Coleman Hutchison argues it has profound implications for our understanding of American literary nationalism and the relationship between literature and nationalism more broadly Apples and Ashes is organized by genre with each chapter using a single text or a small set of texts to limn a broader aspect of Confederate literary culture Hutchison discusses an understudied and diverse archive of literary texts including the literary criticism of Edgar Allan Poe southern responses to Uncle Tom s Cabin the novels of Augusta Jane Evans Confederate popular poetry the de facto Confederate national anthem Dixie and several postwar southern memoirs In addition to emphasizing the centrality of slavery to the Confederate literary imagination the book also considers a series of novel topics the reprinting of European novels in the Confederate South

including Charles Dickens's Great Expectations and Victor Hugo's Les Misérables Confederate propaganda in Europe and postwar Confederate emigration to Latin America. In discussing literary criticism, fiction, poetry, popular song, and memoir, Apples and Ashes reminds us of Confederate literature's once great expectations. Before their defeat and abjection, before apples turned to ashes in their mouths, many Confederates thought they were in the process of creating a nation and a national literature that would endure.
