I mean we all wake up early in the morning, take our breakfast, disappear into our daily responsibilities which can be work or school, return home, try to get some few hours of sleep and then wake up and repeat everything again. What are we really doing to ourselves? We have made ourselves so busy that we have lost touch with our inner selves which is okay except for the fact that that type of life is affecting our health negatively by piling up stress in your body and mind. You know what we need: a breather, and this guide has the perfect one for you. **YOGA**. Yes, you heard me. For a long time now, yoga has been known to work wonders on the body and mind.
