Steven Furtick, lead pastor of Elevation Church, New York Times bestselling author of *Crash the Chatterbox* and *Greater Than Qualified*. **The Benefit of Doubt** by Craig Groeschel, 2025-02-18. Struggling with Doubt Doesn't Make You a Bad Christian. It Might Be What Saves Your Faith. If you're secretly wrestling with questions about God's faith or the Bible, you're not alone and you're not broken. In *The Benefit of Doubt*, bestselling pastor Craig Groeschel shows how your hardest spiritual questions can actually deepen your faith, not destroy it. Instead of hiding from doubt, Groeschel invites you to bring it into the light and watch what God can do with it. Through candid stories, biblical insight, and real-life struggles, Groeschel reframes doubt as a path, not a problem. With humor, humility, and hope, he walks alongside you to explore the most common and often unspoken spiritual questions, not with judgment but with wisdom and empathy. **What You'll Learn:** Why doubt doesn't mean your faith is weak; it means you're asking the right questions. What to do when God feels silent, distant, or absent. How to reconcile science and Scripture without giving up either. Why unanswered prayers don't mean unanswered purpose. How to talk about spiritual questions in communities that value certainty. Why Jesus is still worth following, even when Christians fall short. **How Readers Are Using This Book:** This helped me reopen conversations with my teen about faith and doubt without shame. We used this in our small group and it unlocked a whole new level of honesty. Readers are using the book's reflection prompts for journaling or discussion. Bringing it into small group studies, church leadership circles, and counseling contexts. Rebuilding faith after spiritual deconstruction or burnout. Sharing it with teens, new believers, or friends quietly questioning their faith. **Who This Book Is For:** Christians silently struggling with doubt or spiritual disconnection. Small group leaders navigating honest faith conversations. Believers going through deconstruction but still longing for God. Pastors, parents, and mentors helping others process faith questions with compassion. **Doubt** isn't a dead end. It's an invitation to something deeper. *The Benefit of Doubt* will help you rediscover a faith that not only can withstand your hardest questions but sees those questions as a way to draw closer to God.

International Living, 2005 *Detox Your Soul* by Benecia Ponder, 2020-05

Soul Detox Guide (3rd Edition) 2020-2021 by Wonu Adefala, 2020-12-25. This year's Soul Detox is focused on you doing what God ordained for you to do because of who you are. I am fully persuaded that your purpose follows from your identity. Although intricately connected, I believe who you are informs what you do. I must state stress and to a degree remind you that you are not saved by works; you are saved by grace through faith. YES. But the story does not end there. Once saved, what next? Ephesians 2:10 says we are God's masterpiece. He created us anew in Christ Jesus, so we can do the good things He planned for us long ago (NLT). So you see, we are not just saved to go to heaven; we are saved so we can do what God ordained for us to do in the first place. I believe one of the ways we bring glory to God is by doing what He created us to do. In the book of Genesis chapter 1, we see that God's definition of good is when creature functions according to the purpose for which He created it. He looked at it and said it was good. Mathew 5:16 says we should let our light so shine before men so when they

see our good works they will glorify Your Father in heaven My prayer is that this year your works will testify of God and draw others to God in Jesus name For the year 2020 the Lord called us back to faith and I m sure you can see why With everything going on globally we needed to breathe see walk talk and live by faith Let me use this opportunity to congratulate you for making it to the end of the year
