The Atheist's Survival Guide: 35 Ways to Combat Religious Intolerance Martin Johnson, 2024-11-28 Don t just survive in a world of religious intolerance Thrive Are you an atheist agnostic or secular none who feels isolated and afraid of being ostracized or persecuted by radical religionists Are you a political progressive advocate for gender equality or member of the LGBTQ or neurodivergent communities who has often been accused of being irreligious and been accused of lacking morals and religious values by Christian nationalists and MAGA extremists Might you potentially be viewed as a threat to the rise of politicized religion that is sweeping the globe If so this guide is for you Don t be afraid Even in this era where religious and crypto religious extremists are seizing political power including in the pluralistic US and Western Europe we seasoned atheists are here to embrace and support you and we re growing in number This guide grounded in the spirit of humanism rationalism and empathy is geared toward the intellectually curious novice and religiously savvy secularist alike It offers thirty five actionable insights that can help you to foster mutual understanding and respect promote peaceful coexistence amid diversity and go into full survivalist or combat mode when necessary Testimonial Whether you re a brand new baby atheist struggling to make sense of it all or a battle hardened heretic increasingly alarmed by the ongoing political nightmare that is our current reality this handy guidebook has what you need to understand and fight against the threat of religio fascism or to survive under theo fascist oppression David Fitzgerald Author of Nailed and The Complete Heretic s Guide to Western Religion series including The Mormons and Jesus Mything in Action

**Atheist's Guide to Celebrating Christmas** Machine L, 2025-07-19 This book offers a comprehensive and joyful reimaging of Christmas for secular audiences Spanning 51 chapters it explores how to celebrate meaningfully without religious frameworks while embracing tradition creativity and human connection Key highlights include A deep dive into the origins of Christmas from pagan

festivals to modern practices How to build inclusive meaningful traditions without religious overtones Ideas for DIY decorations festive recipes and gift giving grounded in ethics Insightful guidance on navigating holiday stress family dynamics and religious relatives Ways to incorporate science community service and sustainability into celebrations Special content for secular families including kids stories and cross cultural traditions Perfect for those who love the spirit of the holidays without the dogma      New Atheism: Critical Perspectives and Contemporary Debates Christopher R. Cotter, Philip Andrew Quadrio, Jonathan Tuckett, 2017-06-07 Whether understood in a narrow sense as the popular works of a small number of white male authors or as a larger more diffuse movement twenty first century scholars journalists and activists from all sides in the atheism versus theism debate have noted the emergence of a particular form of atheism frequently dubbed New Atheism The present collection has been brought together to provide a scholarly yet accessible consideration of the place and impact of New Atheism in the contemporary world Combining traditional and innovative approaches chapters draw on the insights of philosophers religious studies scholars sociologists anthropologists and literary critics to provide never before seen insights into the relationship between New Atheism science gender sexuality space philosophy fiction and much more With contributions from Australia Germany and the United Kingdom the volume also presents diversity in regard to religious irreligious commitment with contributions from atheists theists and more agnostic orientations New Atheism Critical Perspectives and Contemporary Debates features an up to date overview of current research on New Atheism a Foreword from Stephen Bullivant co editor of The Oxford Handbook of Atheism and eleven new chapters with extensive bibliographies that will be important to both a general audience and to those conducting research in this area It provides a much needed fresh look at a contentious phenomenon and will hopefully encourage the cooperation and dialogue which has predominantly been lacking in relevant contemporary debates      **The Deplorables' Guide to Making America Great Again** Todd Starnes, 2017 President Obama called us bitter Hillary Clinton called us irredeemable The mainstream media called us backwater bigots We were mocked by Hollywood and dismissed by academics We were marginalized by the media bullied and belittled by sex and gender revolutionaries But all that changed on Election Day and now it's time for all of us Deplorables to get to work Our long national nightmare may be over but that doesn't mean we can take a vacation to Dollywood just yet We've got some work to do folks After President Reagan brought morning to America conservatives took a nap We grew complacent And faster than you could say Read my lips the nation elected a community organizer overlord So how can we prevent that from happening again In The Deplorables' Guide to Making America Great Again Todd Starnes offers practical advice on fighting and winning the war on traditional American values Armed with the Bible in one hand and his signature wit in the other Starnes shows you how to be a happy warrior Back cover      Crash Participant's Guide Steven Case, 2009-12-15 When heaven and earth collide there's a crash That crash is the place we live in every day when we invite God's will to be done on earth as it is in heaven and there's no better place to be if you want a glimpse of the Kingdom of God

Here students are given a book that helps lead them in prayer to the point of impact so they can experience God in their everyday lives and youth workers get lessons activities and other ideas to help them incorporate Crash into their ministries

**A Doubter's Guide to the Bible** John Dickson, 2015-02-03 A concise account of the whole biblical narrative and what it means as well as the beliefs and lifestyle it inspires for those observing Christianity from the outside especially those who think there are good reasons not to believe A Doubter's Guide to the Bible charts a biblical roadmap from the story of creation to the fulfillment of creation answering many of the most frequently asked questions along the way How can we read the creation account in Genesis in light of modern science How should Old Testament law be understood when it appears inconsistent and irrelevant Isn't the story of Jesus birth a little far fetched What is the Gospel Why are there four accounts of the same thing and what are they really saying John Dickson provides a readable and inviting Bible primer for anyone interested in informing themselves about the most widely read book in the history of humanity By presenting the whole of the Bible as an account of God's promise to restore humanity to Himself and humans to one another and to creation Dickson allows believers and skeptics alike to gain insight into why the Bible has been a compelling life changing and magnetic force throughout the ages and why it still matters The Forever All: A Philosophical and Spiritual Guide, 2nd Ed Guyus

Seralius, 2014-05-21 In my pantheistic view the entire universe is the Supreme Being an infinite purposeful system of positive and negative forces which has always existed and always will and each of us is that eternal being of light and darkness In this book I discuss the importance of balance and how it is the heart of the All and the secret of life I discuss the needed balance between the atheists and the theists between the capitalists and the socialists between the Democrats and the Republicans and between the government and the governed I also discuss how neither science nor religion independent of the other can adequately explain the world and how ultimate truth will only arise when the scientific thinkers join forces with the spiritual thinkers I created this book as a philosophical and spiritual guide for all those seeking truth Inside you will find my views on pantheism metaphysics science technology politics and religion along with samples of my artwork 30 illustrations included
