The Basic School A Community For Learning:

The Basic School Ernest L. Boyer, 1995-06-15 Noting that academic failure begins early and that the focus of school reform should be at the elementary level this book describes the Basic School an idea based on best practice in elementary education A Basic School pushes school reform back to the first years of formal education gives priority to language and suggests a coherent core of commonalities and identifies and implements key components of an effective school in a single institution The book is organized into four sections Section 1 describes the school as a community with a clear mission teachers as leaders and parents as partners Section 2 discusses the coherent curriculum of the Basic School which stresses 1 the centrality of literacy and language of all kinds including words numbers and the arts 2 the core commonalities of the various fields of knowledge which are organized thematically and integrated so that students see connections across the disciplines and relate what they learn to life and 3 assessment in the service of learning based on academic standards with benchmarks which enables the Basic School to be accountable to students parents and the larger community Section 3 describes the school climate for learning with 1 small class size flexible teaching schedules and various student grouping arrangements 2 enriching resources for learning including libraries and use of local zoos museums and parks and electronic tools that connect classrooms to networks of knowledge and 3 services for children that meet the needs of the whole child by providing basic health and counseling family referrals and after school and summer enrichment programs Section 4 which describes the Basic School's commitment to character includes a discussion of seven core virtues and suggests that students should be encouraged to apply the lessons of the classroom to the world around them A separate section on Technical Notes describes school surveys referred to in the report Contains 243 notes DR *School and Community*, 1921 *Journey Into Community* Stephen Parson, 2014-01-09 This book provides a roadmap for the journey which begins when a traditional school decides to end its isolation from its community Community Learning Centers provide teachers administrators parents and community leaders with the tools they need to achieve important educational goals which include high level student performance after school programs which support student learning and provide enrichment activities in a safe environment the acquisition of essential technological skills by both students and members of the community expanding leadership opportunities for teachers students and the community and unlocking the storehouse of resources in the community to support the education of our youth **The Basic School** Boyer, 1996-07-01 **The Basic School** Ernest L. Boyer, 1995 Examines the basic school concept as a return to the foundation of learning the stress on language the use of symbols as a key to learning and the defining of priorities and programs that work Illustrates the use of these concepts at work at David Cox Road Elementary Jackson Kellar Elementary and Willard Model Elementary Schools with comments by principals and teachers **Transforming Schools into Community Learning Centers** Stephen Parson, 2013-10-18 This book shows how schools can provide services to all members of the community not just to children of school age It also demonstrates how a
