longer poetry prose and songwriting Together they form an inspiring collection for all those recovering from something Through each internal rhyme and turn of phrase she presents new ways of interpreting despair courage and overcoming The poems are mostly devoid of gender pronouns favoring the first and second person to promote accessibility for all Cook is self reliant and fully aware of how to make her voice heard Asbury Park Press This book was raw Alicia Cook writes about very important topics some of them really hard to read about especially if they hit too close to home You will always find a poem a sentence something that will speak to you to your heart to what you re going through and this book did just that for me
