Max Streaming Today:

Media Today Joseph Turow, 2026-03-05 This ninth edition of Joseph Turow's pathbreaking media textbook uses convergence as a lens that puts students at the center of the profound changes in the 21st century media world. It teaches students to think critically about the role of media and what these changes mean for their lives. The book's media systems approach helps students to look carefully at how media content is created, distributed, and exhibited in the new world that the digital revolution has created. From news media to video games and social networking to mobile platforms and streaming, it provides students with the tools they need to understand and critique the media they encounter and consume. The first part examines the media world as a whole, while the second delves deep into key media industries such as the movie, television, and video streaming and video game industries. This new edition includes critical expanded coverage of social media, economies, cross-border media issues, the rise of news influencers, and subscription platforms, and the growing use of predictive and generative artificial intelligence, as well as brand new case studies and updated figures, tables, and pedagogy, including key terms and further activities. *Media Today* is an excellent introduction to the world of media in the digital age, perfect for students seeking a solid grounding in media studies. Extensive pedagogical materials also make this a highly teachable book, well suited to the classroom. The accompanying website has also been updated with new student and instructor resources, including chapter recaps, recommended readings, and instructor's manual. **HBO MAX Digital Comic**

(2020-) #3 Ivan Cohen, 2020-06-16 To the Max Olivia A down on her luck standup comic is all that stands between her audience and gun-toting criminals who plan to rob a Las Vegas casino. *Digital Media and Innovation* Richard A. Gershon, 2024-03-26 This fully updated second edition explores the importance of innovation and innovative thinking for the long-term success of today's leading media, telecommunications, and information technology companies. The book takes an in-depth look at how smart, creative companies have transformed today's digital economy by introducing unique and highly differentiated products and services. This edition provides a detailed overview of intelligent networks and analyzes disruptive business models and processes from companies involved in social media, artificial intelligence, the metaverse, smart cities, and robotics among other emerging areas. From Apple to Zoom, this book considers some of the key people, companies, and strategies that have transformed the communication industries. Exploring the power of good ideas, this book goes inside the creative edge and looks at what makes such companies successful over time. *Digital Media and Innovation* is suited to advanced undergraduate and graduate courses in media management, media industries, communication technology, and business management and innovation, and provides up-to-date research for media and business professionals. *Max Schlemmer, Hawaii's King of Laysan Island* Tom Unger, 2004-02 The tale of Max Schlemmer is powerful, compelling non-fiction.
