## **How Canadians**

**Communicate V** David Taras,Christopher Waddell,2016-03-15 Fewer Canadians than ever are lacing up skates swimming lengths at the pool practicing their curve ball and experiencing the thrill of competition However despite a decline in active participation Canadians spend enormous amounts of time and money on sports as fans and followers of sporting events and sports culture Never has media coverage of sports been more exhaustive and never has it been more driven by commercial interests and the need to fuel consumerism on which corporate profits depend But the power plays now occurring in the arena of sports are by no means solely a matter of money At issue as well in the media capture of sports are the values that inform our daily lives the physical and emotional health of the population and the symbols so long central to a sense of Canadian identity Writing from a variety of perspectives the contributors to this collection set out to explore the impact of the media on our reception of and attitudes toward sports to unpack the meanings that sports have for us as citizens and consumers Some contributors probe the function of sports as spectacle the escalation of violence controversies over drug use and the media s coverage of tragic deaths while others shed light on the way in which the media serve to transform sports into a vehicle for the expression of identity and nationalism The goal is not to score points but to prompt critical discussion of why sports matter in Canadian life and culture and how they contribute to the construction of identity

## **Defining Sport**

Shawn E. Klein,2016-12-14 Defining Sport Conceptions and Borderlines is not about the variations of usage of the term sport It is about the concept the range of activities in the world that we unite into one idea sport It is through the project of defining sport that we can come to understand these activities better how they are similar or different and how they relate to

other human endeavors. This definitional inquiry and the deeper appreciation and apprehension of sport that follows is the core of this volume. Part I examines several of the standard and influential approaches to defining sport. Part II uses these approaches to examine various challenging borderline cases. These chapters examine the interplay of the borderline cases with the definition and provide a more thorough and clearer understanding of both the definition and the given cases. This work is not meant to be the definitive or exhaustive account of sport. It is meant to inspire further thought and debate on just what sport is, how it relates to other activities and human endeavors, and what we can learn about ourselves through the study of sport. This book will be of interest to scholars in philosophy of sport, history, communications, sociology, psychology, sports management, cultural studies, and physical education.

**Men's Health Workout War** Jim Cotta, Editors of Men's Health Magazine, 2015-04-07  
To reach your weight loss goal start a Workout War contest with your friends. Studies show that competition and financial rewards motivate people to stick to exercise and diets. Former Los Angeles Lakers strength coach Jim Cotta presents an innovative get in shape program in Men's Health Workout War that's virtually guaranteed to help you lose weight. How? By tapping your passion for competition. By starting a biggest loser style weight loss competition with your friends and colleagues complete with cash prizes you'll create fail proof motivation to reach your fitness goals. This book features a highly effective 60 day exercise and diet program broken up into quarters and an overtime round. Best of all it makes fitness fun. Basketball great Shaquille O'Neal who penned the book's foreword used a shirts off competition against Charles Barkley on national television to spur his own body transformation and Cotta was his weight loss coach. That gave Cotta the idea to build a blueprint for grassroots fitness competitions complete with multiple contest formats and advice on using social media to build excitement. Research proves that camaraderie, competition and cash incentives are among the best ways to motivate yourself to exercise and eat healthy. Workout War shows you how to use all three to build your best body ever.

**Essays: De Rerum Natura** Gregory Blotnick, 2025-08-20  
A raw, unflinching collection of essays on pain, discipline, redemption, and the inner war every man must fight in rebuilding himself. In Essays De Rerum Natura, Gregory Blotnick takes readers on a searing journey through the depths of the human condition, exploring suffering, forgiveness, and the constant tension between failure and renewal. With hard-earned wisdom and philosophical depth, he champions relentless personal accountability not as a form of penance but as the only true path to freedom. Blotnick writes not as a guide but as a fellow traveler through the dark night of the soul, sharing lessons forged in the fires of personal collapse. In this collection of thirty essays, he weaves these reflections with the timeless insights of thinkers like Pascal, Schopenhauer, Seneca, Nietzsche, and Plutarch, creating a powerful blend of lived experience and enduring wisdom. Part memoir, part philosophical guide, and part spiritual reckoning, Essays De Rerum Natura is a blueprint for rebuilding after defeat. Above all, it is a clarion call for readers to keep showing up to life, holding firm in their own self-belief as they transform suffering into strength. 100% of book proceeds are donated to the American Foundation for Suicide Prevention AFSP.

**Media Mysteries: The Chelan**

Montgomery Stories Gail Hulnick, 2025-11-17 Two gripping thrillers One relentless investigator When suicide becomes murder A body falls from a high rise balcony in Vancouver's West End Witnesses call it suicide But Chelan Montgomery a sharp young journalist who shared a final drink with the victim just hours before knows there's more to the story Keith Papineau was a powerful TV broadcaster respected envied and very possibly hunted When his teenage son begs Chelan to uncover the truth her investigation pierces the glittering façades of west coast wealth cutting through a labyrinth of lies that winds from oceanside mansions to Whistler's Olympic slopes As Chelan peels back the layers of Keith's life and death she encounters enemies hiding in plain sight jealous coworkers ruthless executives and fractured family members with something to lose But the deeper she digs the more dangerous the truth becomes Soon she's the one being followed In the end Chelan must risk everything to bring a killer to justice without destroying the boy who asked for her help Character assassination on social media Assault with a deadly weapon On California's central coast a rising football star is under siege Quarterback Jesse Tuvornay is living the dream until someone decides to destroy it His every move is stalked and posted His private moments twisted into clickbait When a viral campaign begins shredding his reputation and implicates his supermodel girlfriend Jesse's world starts to unravel Chelan Montgomery has seen this kind of thing before She's dealt with power lies and the weaponization of media But this time the enemy isn't on the airwaves it's hiding in the shadows of the internet manipulating images and feeding a frenzy that could end careers or worse Then a new photo surfaces One that could push Jesse over the edge With a reputation on the line and lives hanging in the balance Chelan races to expose the troll before the quarterback self-destructs But in a world where truth is slippery and digital poison spreads fast nothing is what it seems and no one is safe Fast-paced psychologically rich and fiercely contemporary Media Mysteries delivers two heart-pounding novels starring a journalist who doesn't stop until she finds the truth Fans of Ross Macdonald Tana French or Megan Abbott will find a new favorite in Gail Hulnick
