to paper Driven by a natural curiosity and a strong desire to paint faces clouds and landscapes that actually resemble faces clouds and landscapes he attends classes from local artists watches YouTube tutorials and seeks out master painters from the past and present in the hopes of uncovering their secrets In his inimitable voice Baker recounts the highs and lows of the creative process reflects on memories of growing up as the son of two painters and learns what it means to really see Filled with Baker s own art as well as the work of artists from around the world Finding a Likeness is a tender and deeply felt testimony to taking a step back and going back to basics Baker improves dramatically in his craft but as he considers what it means to try fail and try again he discovers far more than what it takes to paint a cloud rather he shows us how to bear witness to the world to the good and the bad and to do it all justice with paper and ink **macOS Catalina: The Missing**
