Subversive Heroines Constance D. Harsh, 1994 Subversive Heroines departs from much recent work on the industrial novel in two important ways it maintains its focus on the novels rather than on the nonfictional condition of England debate and it emphasizes the consistency of the genre's approach to the contemporary crisis of class relations Harsh's examination reveals a covert feminism in Victorian culture and illuminates fundamental gender struggles of the time

Messengers from the West Mountain C. R. Truitt, 2007-12-28 A Great Fire War had once scorched the earth leaving it barren for generations and only those who took refuge underground were their children's children able to live once again upon the surface of the earth For years the West Mountain people lived pleasantly on the surface of the earth outside of the Mother Cave until reports from the other Warrior tribes told of attacks from a people who still use the ancient machines to capture and enslave The Chiefs daughter Paula was delighted when the Council announced she would lead and be sent with three others as messengers to the other Warrior tribes for a call of unity to stand against these invaders She set out with her best friend Sissy a young healer her cousin Mira the best warrior of her tribe and their friend Peggy Together they set out to warn the other tribes but separated to make up for lost time waiting for Paula and Peggy to heal after a battle with mutated men Paula and Sissy catch a ride in the wasteland and unknowingly find themselves in the enemy territory

There they find danger and unexpected allies All four of us sat erect pushing our chests out holding our heads high riding through the main street with our people cheering us There is nothing like the adorations of our family and peers How soon we would come to learn the difference of people who would not see us so regarding us as their prey or their enemy to use us whatever way they could Leaving the tribe behind we had no knowledge of that We were sure of our skills and our persons He glared at me his voice deepened commanding You will hand me that chain and then you will strip and put those dirty rags in this basket Now His retaliation was swift He slapped me hard enough to bring me to my knees with my eyes watering and my cheek stinging *The Gargoyle*, 1912 **Tin Wife** Joe Flaherty, 1986 *The Invaluable Guide to Life After Stroke* Arthur Josephs, 1992 Of the many books dealing with this topic this one possibly is the best yet it is both practical and hopeful for the victim as well as the caregiver Josephs argues that no two strokes are alike patients cannot accept generalizations that the medical profession knows little if anything about what to do and therefore really doesn't care Furthermore he states that the so called six months period of getting well can extend for years While this reviewer may not agree with the author's approach on certain issues e.g. cholesterol support groups the book's avoidance of medical jargon and its positive easy to read tone make it a good choice for all popular medical collections Recommended Edward R Pinckney M D Beverly Hills Cal Library Journal *Little Wide Awake*, 1890 **From Bubblegum to Personism** Cynthia M. Akers, 1992 **Jean** Mrs. Newman (Emma), 1875 **Theatre and School**, 1926 **Wild Midnight** Maggie Davis, 2014-04-01 A rich young woman finds danger deception and desire where she least expects in this breathtaking novel from the award winning author Rachel Brinton came from her comfortable home in Philadelphia to the savage and breathtakingly beautiful land of sultry South Carolina to help with the rebuilding of lives of the poor Ashepoo River tenant farmers Rachel though finds a danger she never dreamed imaginable His name is Beau Tillson known as Beau Devil This intoxicatingly dark and brooding man is the master of Belle Haven and of Rachel's heart Beau continually fights against his emerging feelings for Rachel for she is a threat to everything he holds dear But as time passes and another threat emerges Rachel is forced into the arms of this man who could be yet another danger a man with a personality as dark as midnight **Training the Sub and Transforming the Sissy** Mistress Lala, 2025-06-04 Step into a world of control surrender and transformation a world where discipline meets desire and submission becomes a form of art Training the Sub and Transforming the Sissy Femdom Discipline Pain Total Sissification is a bold provocative guide for anyone who wants to explore the powerful and deeply erotic dynamic between a dominant woman and her submissive sissy trainee This book takes the reader on an intimate journey through the layers of sissy training from psychological conditioning to physical obedience and complete feminization It reveals how dominance and submission are built on trust desire and the irresistible power of transformation Whether you're a submissive yearning for guidance or a Dominatrix seeking structured techniques this book offers essential insights into Creating rituals of obedience that build respect and anticipation Using punishment and pain as tools of behavioral control Developing complete sissy
