

# **35+ FUNNY TEXT CONVERSATIONS BETWEEN PARENTS AND THEIR KIDS**

I'm going out for <3.  
Would you like some?

Would I like some... love?

Love? I don't know, would  
you?

What are we talking  
about? You just said, "I'm  
going out for love."

Delivered

Oh! It's a little sideways  
heart! I thought it was an  
ice-cream cone!

**Divide & Conquer** Abigail Roux, 2024-07-01 The last place these men want to be is in the limelight Law enforcement in Baltimore has a PR problem Robberies bombings and violent crimes are on the rise The public wants something done and even the FBI is catching blame When Special Agents Ty Grady and Zane Garrett accidentally become the handsome faces of the counter offense they find themselves the center of attention from the media and a dangerous band of criminals Being respectable is busy work and the added attention makes it harder than ever to keep their blossoming relationship a secret Neither man is quite sure where they stand or where they want to stand Zane can't seem to say those three little words and Ty is too mired in his past to notice The bombings throughout the city are getting worse Without any leads Ty and Zane find themselves taking their frustrations out on each other Being together in the shadows but hiding in the spotlight is one more stressor when they're already taxed to the limit As a mysterious bomber closes in it starts to look like neither they nor their relationship has much hope for survival This is a limited re-release of the original series without changes Some aspects of the story are now dated and an updated version will be published at a later date See this title's page on RiptidePublishing.com for content warnings Teacher Representations in Dramatic Text and Performance Melanie Shoffner, Richard St.

Peter, 2019-09-06 This book examines representations of the teacher on stage in both theatrical performances and dramatic text in order to demonstrate how these representations have shaped society's perceptions of educators in and out of the classroom At the heart of this book is the interaction between theatre and teacher education By considering how dramatic portrayals reimagine reinforce and/or undermine our understanding of the teacher's personal and professional roles this volume bridges the gap between truth in dramatic literature and truth in the classroom Chapters critically explore the personas embodied by fictional teachers in well-known works such as *Educating Rita* *School of Rock* and *The History Boys* and illustrate how educators might use dramatic literature and performance to interrogate entrenched ideas about the student-teacher dynamic By bringing together a diverse set of contributors from the fields of teacher education and theatre this book takes a critical look at performance text society and culture to promote a new understanding of teaching and learning This unique book will be of great interest to graduate and postgraduate students academics and researchers in the fields of teacher education drama and theatre education **The Development of the Comic Figure in the German**

**Drama from the Reformation to the Thirty Years' War** Wilhelma Charlotte Garvin, 1923 Women and Comedy Peter Dickinson, Anne Higgins, Paul Matthew St. Pierre, Diana Solomon, Sean Zwagerman, 2014-03-27 *Women and Comedy* History Theory Practice presents the most current international scholarship on the complexity and subversive potential of women's comedic speech literature and performance Earlier comedy theorists such as Freud and Bergson did not envision women as either the agents or audiences of comedy only as its targets Only more recently have scholarly studies of comedy begun to recognize and historicize women's contributions to and political uses of comedy The essays collected here demonstrate the

breadth of current scholarship on gender and comedy spanning centuries of literature and a diversity of methodologies Through a reconsideration of literary theatrical and mass media texts from the Classical period to the present *Women and Comedy History Theory Practice* responds to the historical marginalization and or trivialization of both women and comedy The essays collected in this volume assert the importance of recognizing the role of women and comedy in order to understand these texts their historical contexts and their possibilities and limits as models for social engagement In the spirit of comedy itself these analyses allow for opportunities to challenge and reevaluate the theoretical approaches themselves
