poetry reading This text is personal It establishes a relationship between the reader and the poem and myself Why It is in relationships that we are able to most effectively learn and teach and grow I think great Art belongs to everyone thus it is crucial that we continue the dialogue between ourselves and the poem It is in this dialogue that we witness the alchemy of poetry the way it transmutes from language form and feature to a universal elixir an undiscovered gold and most significantly A thing of beauty Poetry makes sense of life it offers us truths it brings us unimagined worlds and it liberates our pain I have selected 160 poems that you cannot live your life without Poetry offers ritual and cadence sacrifice and secrets Poetry offers a nation state a place within a place when it no longer confers sovereignty upon you Poetry is sacred and profane and thus it is at once sublime and mighty It is audacious and disturbing but always and this applies to all great poetry yours Mine Ours Indeed what is the point of living if there is no Art And poetry is the most concentrated of all Art It is the oldest of all literary forms Without poetry we are an idiotic uncivilized people telling tales full of sound and fury signifying nothing Poetry is in one crowded hour the only one in the room So we read poetry to face the truth To stand there and dig in to stumble over words we don t get to find a phrase that flicks a light on in our memory to cat paw over and over an image that was laid down long ago Most of all we read poetry to remind ourselves of what really matters To witness the soaring light that tears up our small lives
