Business Law Richard A. Mann, Barry S. Roberts, 1994 Directory of Distance Learning Opportunities Modoc Press, Inc., 2003-02-28 This book provides an overview of current K-12 courses and programs offered in the United States as correspondence study or via such electronic delivery systems as satellite cable or the Internet. The Directory includes over 6,000 courses offered by 154 institutions or distance learning consortium members. Following an introduction that describes existing practices and delivery methods, the Directory offers three indexes: Subject Index, Index of Courses Offered by Level, Course Level Index, Geographic Index. All information was supplied by the institutions. Entries include current contact information, a description of the institution and the courses offered, grade level and admission information, tuition and fee information, enrollment periods, delivery information, equipment requirements, credit and grading information, library services and accreditation.

Fundamentals of Business Law Roger LeRoy Miller, Gaylord A. Jentz, 2007 This cost effective alternative to traditional Business Law texts offers in-depth coverage of all core topics including contracts and sales in a brief paperback format. It's the first book of its kind to combine a less expensive, less detailed approach with excerpted rather than summarized cases to illustrate key points of law. This text is perfect for single semester courses that focus primarily on contracts and sales.
