Notable American Women with Czechoslovak Roots Miloslav Rechcigl Jr.,2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role **Stories**

Czechoslovak Ancestry in Arts and Letters and in Education Miloslav Rechcigl Jr.,2021-11-02 As pointed out in my last two publications no comprehensive study has been undertaken about the American Learned Men and Women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Whereas in the two mentioned monographs the emphasis has been on scholars and social and natural

scientists and men and women in medicine applied sciences and engineering respectively the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters and in education With respect to women although most professional fields were closed to them through much of the nineteenth century the area of arts and letters was opened to them as noted earlier and as this compendium authenticates Epic Ellisons: Cosmos Camp Lamar Giles,2023-05-09 An Edgar Allan Poe Award Nominee From Edgar Award nominee and WNDB cofounder Lamar Giles this middle grade adventure stars the Epic Ellison twins as they race to solve the mystery of Cosmos Camp for young geniuses in a stand alone companion to the Legendary Alston Boys series School s out and Wiki and Leen Ellison are facing a new challenge their first summer apart Genius inventor Leen has been accepted to Petey Thunkle s world famous summer training program for STEM prodigies with their eyes on the stars Meanwhile Wiki is looking forward to her first summer on her own running the family corn stand and outclassing Otto and Sheed Alston But the night before Leen s departure the twins find out that Wiki has also been accepted into the same camp even though she didn t apply And they are not thrilled This summer was never supposed to be a Twin Thing The situation soon goes from bad to worse because the Ellisons haven t been invited just to participate in the program They re there to solve a mystery Someone or something has been tampering with the company s upcoming big deal rocket launch Now the sisters are undercover dealing with hypercompetitive campers by day and trying to stop the mysterious saboteur by night All is not as it seems at PeteyTech There are bigger badder forces at play than the girls could ve imagined And if Wiki and Leen don t get their act together fast their first epic adventure away from Logan County could end up an epic fail for the entire world *The Legal Connection* Frank Becker,2025-02-09 When Richard Milhous Nixon was sworn in as the thirtyseventh president of the United States on January 20 1969 author Frank Becker couldn t have anticipated or fully appreciated the impact that election would have on his teenage years Becker was thirteen years old at the time and when Nixon resigned as president August 9 1974 Becker was eighteen His father was a law partner to Richard Nixon and John Mitchell in the firm of Nixon Mudge Rose Guthrie Alexander and Mitchell In *The Legal Connection* Becker draws on his personal recollections and his mother s extensive memoirs to provide a unique inside look at the people of the Nixon White House and the Washington DC social scene of the late 1960s and early 1970s The Beckers were there attending White House state dinners parties and other events This memoir includes first hand accounts of conversations and interactions with the Nixons Mitchells and other famous people and describes how they appeared to the people who knew them as friends and colleagues *The Legal Connection* ventures back in time sharing details of exclusive White House and social functions and important political and judicial figures from around the world offering an unforgettable snapshot in time *Unravelled (A Conyza Bennett story, Book 2)* Cheryl S.
