opening passages of *Return to Earth* remembering Command Module Columbia's abrupt descent into the gravity of the blue planet. With that splash Aldrin takes readers on a journey through the human side of the space program as one of the first two men to land on the moon learns to cope with the pressures of his new public persona. In honest and compelling prose Aldrin reveals a side of instant fame for which West Point and NASA could never have prepared him. One day a fighter pilot and engineer the next a cultural hero burdened with the adoration of thousands Aldrin gives a poignant account of the affair that threatened his marriage as well as his descent into alcoholism and depression that resulted from trying to be too many things to too many people. He didn't realize that when he landed on his home planet his odyssey had just begun. As Aldrin puts it, "I traveled to the moon but the most significant voyage of my life began when I returned from where no man had been before." *Return to Earth* is a powerful and moving memoir that exposes the stresses suffered by those in the Apollo program and the price Buzz Aldrin paid when he became an American icon.

**Return of the B Science Fiction and Horror Heroes** Tom Weaver, 2000. The people who directed, produced and starred in the scary and fantastic movies of the genre heyday over thirty years ago created memorable experiences as well as memorable movies. This McFarland Classic brings together over fifty interviews with the directors, producers, actors and make-up artists of science fiction and horror films of the 1940s, 1950s and 1960s. From B movies to classics Samuel Z. Arkoff to Acquanetta, these veteran vampire baiters, swamp monsters and flying saucers attackees share their memories. This classic volume represents the union of two previous volumes: *Interviews with B Science Fiction and Horror Movie Makers* more fun than the lovably cheap movies that inspired it. Booklist, RBB and Science Fiction Stars and Horror Heroes candidly a must. ARBA. Together at last, this combined collection of interviews offers a candid and delightful perspective on the movies that still make audiences squeal with fear and occasionally howl with laughter.
